the war commenced. He was glad to Playing at Parliament the war commenced. He was glad to be called upon to contribute to such tax. He said those who objected to the Bill in the Legislative Council ha PASS PROFITS TAX BILL AND exhibited sham patriotism and that the same brand of patriots prevaile in the British Isles to-day the German flag would be flying over this

House to-day.

Hen. Mr. Bennett in favouring th The Business Profits Tax Bill pass- measure said that the action of the their lives. He thought the merchants In the Lower House the Profits Tax had good reason to congratulate themselves on being taxed so leniently. He Hon. Mr. Clift gave the Bill his eulogized the National Government, hearty support because he believed it which, he said, had been brought together for the sake of the country an pressed his regret over the fact that added that such an act of patriotism cricketers will be welcomed by a full the two branches of the Legislature was an example for the Upper House,

doubt as to these powers, but that i Hon. Mr. Hickman was the next appeared as if some thought there

words be substituted for those that he used. He said that any attempt to strengthen the arguents put forward n favour of the Bill would be like gilding refined gold. He then said that he and his colleagues had been subjected to contumely by parties outside who were not in favor of the Bill and pointed out that no man who ver served the people faithfully in this Colony was friendly with the asses. He showed that the sub ed to look at much less throw out

Money Bill Hon. Minister of Justice spoke brief ly on the constitutionality of the Bill, which went through its final stage and was sent to the Council. The Upper House sat at 5.30 p.m. and took up the two Bills. The members present were, including the new Councillors, Hons. McGrath, Skel on, Squires, Murphy, Blandford ibbs, Power, Ellis, Cook, Bell, Mc-Namara and Mews. Those who voted down the Bill at the last session were absent, namely: Hons. Bowring, odridge, Harvey, Winter, Knowling

Hon. Mr. Squires moved the second reading of the Bill with Hon. Dr. Skelton in the chair. Hons. McNamara and Mews spok favour of the Bill, the former sayng amongst other things that it was no more class legislation than the Daylight Bill was and the latter geneman that he came to the House with a clear conscience. The Bill then went through al

New Skin Remedy.

Since the old-fashioned theory of curing eczema through the blood has een given up by scientists, many difskin diseases. But it has been found that these salves only clog the pores and cannot penetrate to the inner skin below the salves of the dead after which the prayer the dead after which the prayer the dead after which the skin below the epidermis where the

eczema germs are lodged. This—the quality of penetrating partially explains the tremendous success of the wonderful new liquid eczema remedy, the D. D. D. Prescrip-

D. D. D. is now recognized as the only absolutely reliable eczema remedy, for it penetrates the pores, washes away the disease germs and leaves the skin as clear and healthy disturch, Topsail, purpose hold a Tea in the Orange Hal the afternoon of Wedness the skin as clear and healthy

as that of a child.

This scientific antiseptic wash has been found to be specially effective in all forms of Eczema, Bad Leg, Ulcers, Pimples, Ringworm, Sores and Rashes, Salt Rheum and all other skin diseases. One bottle will prove it to you.

Don't delay; get a bottle of D. D. D. Prescription to-day. Sold Everywhere. Recommended by T. McMurdo & Co., A. W. Kennedy, M. Connors, Peter

Heservist Lost.

St. John's, N.F., 20th August, '17.

I regrt to inform you that the Admiralt has reported to me that Edward 'Keefe, Seaman of the Newoundlan Royal Naval Reserve, lost which hiwas serving was lost on the 14th Augst, 1917. Alice O'eefe, of 15 Waldegrave St.,

Yours truly, A. MacDERMOTT,

SaysScotia Worth \$300. Big Assets.

caustive comparative review and Co is being given circulation in the Stet. It is the production of George. Walker of the Dukelow and Walker'o., and is copyrighted by

and cl holdings of Scotia, and they a compared with other well nownompanies such as U. S. Steel ennsyania Steel, Republic Iron Bethlehem Steel, Woodward on, Sloss-Sheffield and Dom-nion eel. Comparisons are also Comparisons are also nade the relative financial posiions (some of these companies. In coluding his review Mr. Walk stat that the study he has made onvins him that Scotia common is orth least \$300 per share and en-

titled isell at that price. He con-cludeshat the company's growth has rehed a stage from which its growthnd development are sure to

Thext, largest ore holdings are those U. S. Steel and Pennyslvania Steel spectively placed at 2,200,but sapid is the exhaustion going on ththey will only last 43 and 55 yearsespectively. Bethlehem in Cuba ne has enough to last it 783

"Pr Eckel, an iron ore authority of we wide repute, is quoted re-gardithe position of Scotia in this connen. "Considering the smal cost aining and transportation," he writeit is obvious that this ore can be pld in any Atlantic coast mark-et, wher in Europe or America, at lowcost per unit of iron than any enowompetitive ore."

Thiuthority estimates the present malue of Scotia's iron ore holdi at \$45,803 and its coal holdings 962,000, a total of \$73,765,000, not aving for any other assets, or morein three times the present markalue of Scotia's capital stock

and is.

Theracter of the mineral assets and imanufacturing history of the comp are reviewed at length, and it is ed that: "Although the plants of thova Scotia Steel & Coal Companyle been large enough to give it a disuished place in the steel pro-ducindustry, they still seem extremsmall when brought into compariswith the immense reserves of raw erial upon which they are draw If operated continuously at full acity it would take these plan, 300 years to exhaust the com's deposit of iron ore. Therefore rould seem that a plant from 50 to times larger is justified." fore rould seem that a plant from 50 to times larger is justified."

Laid to Rest.

Theoral obsequies of the late Bro. urley took place this fore-noon were attended by a multi-tudepeople, an evidence of the univ esteem in which the deceas-ed weld. At 10 a.m. Requiem Mass was brated for the repose of his soul. Reg. Mong. McDermott was soul. Rev. Mons. McDermott was the brant, assisted by Revs. St. rocession, which included ninent people in Church and well as hundreds of school wended its way to Belvidere where the remains of a good
