IT COSTS YOU NOTHING

to get our side of the story. If we are able to make bigger profits than usual for you, as we claim to do, you owe it to your-

self to at least examine our proposition, and you cannot do that unless you ask us to PROVE our case by giving you the fullest particulars. It isn't fair to yourself to simply ask every Tom, Dick or Harry what he thinks of it. Get at the bottom of our methods. Demand particulars

from us. Examine our evidence, and if it does not bear the fullest investigation, there is no obligation on your part to do more. We claim to be HONEST, CAPABLE and SINCERE, and we must stand or fall on MERIT ALONE.
