

Won Second Game.

City Hockey Was Fast and
Scoring—Score 6-2. His Excel-
lence the Governor Present and
Dined With Exhibition.

The second game of the Halifax
Hockey series went in the lat-
est favor at the Prince's Ring last
night, the score being 6 goals to 2.
The visitors played a good game and
were hard throughout. Hunt, in
goal, was put on his mettle
and responded in splendid style.
The visitors' centre, played a
game and the manner in which
he always where the puck was
admirable from the thirteen
red people present. Cahill and
also played fast and hard.
Teams displayed more combina-
tion in the previous game. On
local team, R. Stick, Payne, Rob-
ertson and Cannings played well. The
tax boys played a better game
than of Wednesday night, and
theirs with the ice and rink
greater than on the first night.
Donald, the Halifax right wing,
spoiled several of his side's
attempts by his failure to be in posi-
tion to receive a pass. Tait and E.
were not playing for the city,
and Robertson replacing them.
In to-night's game the first
goal was scored by the first
period in this order:

First Period.

Payne (City), half mini; 2. Wil-
(A.V.), 2 mins.; 3. Payne (City),
4. Robertson (City), 15 mins.

Second Period.

Payne (City), 1 min.; 6. Wilkie
(A.V.), 8 mins.; 7. MacDonald (A.V.),
8. R. Stick (City), 15 mins.

Third Period.

R. Stick (City), 16 mins.

Jack Tobin was referee and

lineup was:

Hunt, goal; Robertson, left

side; R. Stick, right defense;

centre, L. Stick, right wing;

left wing.

(A.V.)—Hurley, goal; Goldie, left

side; Eagles, right defense; Wil-

son, centre; MacDonald, right wing;

left wing.

Wheeler and Martin for the

visitors, and L. Munn, Trapnell and

for the City were the substitu-

tes. All playing for a while at dif-

ferent times. To-night the City line-

up will be the same as on Wednesday

night. Goal: R. Stick and E.

defence; Tait, centre, L. Stick

Cannings, right and left wings.

Robertson and L. Munn will

be the visitors.

Training of a Scout.

The film, "Boy Scouts to the Res-

cue" will be presented on Tuesday

evening of next week

at the Methodist College Hall for the

benefit of the Gower St. Troop of Boy

Scouts. Taking time by the forelock,

the boys are already gathering

for their next summer's Camp.

They have been fortunate in being able

to secure this fine film, which was

produced by English Scouts under the

direction of Baden-Powell himself. The

film for the evening will be render-

ing the Methodist Guards Band, and

is no doubt but what the boys

will receive the same hearty support

as the undertaking that was accord-

ed them in their concert in December.

Reserved seat tickets are on sale

at Goodland's.

Wrong Mr. Wright?

The final production of "The Wrong

Mr. Wright" in the Casino last night

attracted a large audience. The vari-

ous performers acted with that ease

and comes of practice and the piece

ended without a hitch. Much

of it is due to the talented artists

and their time and talent for

the play. To Miss Mary Ryan, the pro-

ducer, and Mrs. Baxter, who directed

the production, an especial meed of

praise is due.

At the Majestic.

Brady, in Miriam Nicholson's

novel, "The Better Half,"

at the Majestic Theatre this

evening. In this picture, Alice Brady

is a dual part with much clever-

ness and the story is constructed with

skill and success. The plot hinges a

round twin sisters of very different

characters who are left fatherless. One

goes to New York while the other re-

mains at home. The second one gives

her sister Michael Thwaite, though

loves him herself, and when the

latter has tired of him, becomes recon-

ciled with him again and things

work out right in the end. In addi-

tion, the feature there will be Kin-

of the Visual News of the World.

The Ford Educational Film. The

therefore, will be a good one.

Shipping Notes.

Percy Wells is now loading

from P. Templeman for Eu-

rope. Miriam H. has entered to load

from the Monro Export Co.

Mr. Voghe has gone on dock to re-

ceive overhauling.

"Over the Top," 35 days from

via Genoa, where she went

to have her chronometer corrected.

Left in port last night in ballast
