**Studebaker**

Indications point to the fact that this company's phenomenal success is being fully discounted, and as \$125 per share cannot apparently be passed, we are of the opinion that this stock is a Short for a substantial recession.

Margin \$10 per share.

School children in our schools, undoubtedly thousands of them with uncorrected eye trouble. If you want your children to study in comfort and be 100 per cent. efficient, have their eyes looked after. Thousands of children are backward in their studies due to eye troubles, sometimes of a very small degree. Fit them for their school work by having their eyes examined and trouble corrected by

These letters stand for "I Can Succeed," the motto of any ambitious young fellow. They also are the first letters of the International Correspondence Schools, the best medium for the acquirement of knowledge. Business will not always be bad and your employer is probably running on minimum staff. Are you prepared for the increase in staff and the job higher up when better times come back? If not, get busy this summer and give yourself an hour a day.
