McCormick Binder

A Binder to do successful work must be adapted to the
country where it is to be used

The McCormick binder is especially made to meet the require-
ments in Ontario. This machine is the result of a great many
years' experience in harvesting fields. It has been improved from
time to time until it is a machine that meets every condition known
to the grain growers of Ontario.

The McCormick cutter-bar is so constructed that it can be used
with either a smooth or serrated knife.

The McCormick reel is one of the strongest and most effective
ever placed on a binder. It offers a wide range of adjustment and
successfully meets the conditions encountered in any field, whether
the grain is tall short—standing, down, or tangled. There are many
other features and advantages of McCormick binders.

Come and see this machine before you buy

An Anxious Time For All Parents

Children Often Seem to Pine
Away and Ordinary Medicine
Does Not Help Them.

The health of children between the
ages of twelve and eighteen years,
particularly in the case of girls, is a
source of worry to nearly every moth-
er. The growth and development
takes so much of their strength that
in many cases they actually seem to
be going into decline. The appetite
is fickle, brightness gives way to de-
pression, there are headaches, fits of
dizziness, palpitation of the heart at
the least exertion, and sometimes
fainting. The blood has become thin
and watery and the sufferer must
have something that will bring the
blood back to its normal condition.
At this stage no other medicine can
equal Dr. Williams' Pink Pills. Their
whole mission is to make new, rich
blood which reaches every part of the
body, bringing back health, strength,
and energy. Miss Helen Taylor, West
Toronto, says: "Two years ago I was
so badly run down with anaemia that
some of my friends did not believe I
would get better. I could not go up-
stairs without stopping to rest, suffered
from headaches, loss of appetite, and
for two months of the time was
confined to the house. I was under
the care of a doctor, but the medi-
cine I took did not help me in the
least. A friend advised my mother to
give me Dr. Williams' Pink Pills, and
although I did not expect they would
help me after the doctor's medicine
had failed, I thought they might be
worth trying. After taking two boxes
there was such a marked change for
the better that people asked me if I
had changed doctors, and I readily
told them the medicine that was help-
ing me. I continued taking the pills
until I had used eight boxes, when
my health was fully restored, and I
have since enjoyed the best of health.
I hope my experience may be the
means of convincing some sickly per-
son that Dr. Williams' Pink Pills can
restore them to health."

You can get these pills through any
dealer in medicine, or by mail, post
paid, at 50 cents a box or six boxes
for \$2.50, from The Dr. Williams Med-
icine Co., Brockville, Ont.

gaged to teach school at Welland,

Finch read an address, and Mrs. C.
Legg presented Mrs. Aldrich with a
purse containing \$20. Mrs. Aldrich
left on Wednesday for Ohio, where
Rev. Mr. Aldrich has been engaged

Institute held a successful lawn so-
cial at W. Ashton's on Friday evening
last. The Calton Orchestra was pre-
sent, and gave several numbers.

ers, and solos by Mrs. E. Sweet and
W. Woodward, of St. Thomas, and C.
Learn, of Belmont. Mr. W. H. Bar-
num, of Aylmer, gave a splendid ad-
dress, and Rev. W. G. Charlton, of
Aylmer, acted as chairman. The pro-
ceeds amounted to \$85, which will be
spent for Red Cross purposes.

Miss Myrtle Coulter, of St. Thomas,
is visiting Mrs. J. Thomson.

There is more Catarrh in this sec-
tion of the country than all other
diseases put together, and for years it
was supposed to be incurable. Doc-
tors prescribed local remedies, and by
constantly failing to cure with local
treatment, pronounced it incurable.
Catarrh is a local disease, greatly in-
fluenced by constitutional conditions,
and therefore requires constitutional
treatment. Hall's Catarrh Cure,
manufactured by F. J. Cheney & Co.,
Toledo, Ohio, is a constitutional
remedy, is taken internally and acts
through the Blood on the Mucous
Surfaces of the System. One Hun-
dred Dollars reward is offered for any
case that Hall's Catarrh Cure fails to
cure. Send for circulars and testi-
monials.
