"Yes," mused City Clerk Abbott, "Dr. Campbell's place on the School Board is now filled by another gentleman. He was without exception the most energetic, practical and painstaking member I have known in my 40 years' experience with the London Board of Education. Or, rather, I should say he and Mr. Jeffery are the two best; one's as good as the other."

Tilly Scaton, a character well known to police circles, appeared at court this morning in answer to a charge of a keeping a disorderly house at the foot of Clarence street. A statement from a number of ratepayers was presented, testifying to the disorderly nature of the house. Tilly promised to remove if allowed to go, but the Magistrate refused to consider the proposition and remanded her for six days. William Anderson and Annie O'Byrne, two inmates, were allowed to go on deferred sentence.

Remarkable Restoration to Health of Well Known Canadians whose Cases were Given up as incurable.

From the few of the hundreds of letters we have received from those who have been restored to health and strength by the use of that wonderful discovery, Paine's Celery Compound, we make a few extracts. We hope that the thousands of Canadian men and women who are suffering from nervous and wasting diseases, will profit by these true and

plain statements of facts.

D. S. Davidson, of Montreal, suffered for years with nervous dyspepsia, pain in his back, and sleeplessness. He tried doctors without relief, was losing flesh rapidly, and had about given up heart when he commenced the use of Paine's Celery Compound. "Now," he says, "I am a new man. I sleep well and my food does not hurt me.'

Mr. Jas. Johnson, 302 St. Charles Borromee Street, Montreal, was weak and nervous, had no appetite, and could not rest at night. His nerves were soothed and strengthened by Paine's Celery Compound, and he soon became well and

Annie Gourley, of River Beaudette. P. Q., found the Compound a certain cure for weakness, and now feels as well as she ever did.

A customer of Harrison Bros., druggist, Hamilton, Ont., told them that he was entirely cured of nervous weakness by the use of two bottles of the Compound, after everything else has failed.

The little child of Mrs. G. E. Meredith, 76 D'Arcy St., Toronto, was cured of St. Vitus' Dance by Paine's Celery Compound.
