THE DYNAMITE PLOT.

Great Sensation Caused by the Recent

London, Sept. 15. - The sensa-

tion caused in England by the

arrests is intense and universal.

It has revived much of the former

anti-Irish feeling among the masses

which had been slumbering during the

last few years. Politically, the de-

velopment is held to be most awk-

ward for the Redmondites, who have

been playing assiduously to the vio-

ent section of the Femians, and must

now either denounce them or forfeit

the support of the Tory-Unionist par-

y throughout Ireland. The dis-

closure of a new dynamite plot has

Sensations Caused by the Arrest of the Dynamite Plotters,

A Philadelphia Firm to Build the Engines for China's Railways.

"TOM" MANN ARRESTED. Hamburg, Sept. 16 .- "Tom" Mann, the English labor leader, was arrested to be taken for the protection of the here this morning. He had arranged to address several meetings to be held in connection with the proposed sim-ultaneous strike of dock workers throughout the world.

GLADSTONE'S ADVICE. London, Sept. 16.-Mr. Gladstone has written a letter to the Liverpool Reform Club, urging the organization of a mass meeting in behalf of the Armenians, and stating that, if desired, it might be possible for him to take part in the proceedings.

ENGINES FOR CHINA. Tien Tsin, China, Sept. 16.—Consul Read has scored a victory for American enterprise in obtaining the acceptance of the tender of the Baldwin Locomotive Works, Philadelphia, to furnish all the engines for the Tien Tsin and Peking Railway.

GLADSTONE MAY TAKE THE PLATFORM.

Liverpool, Sept. 16 .- Mr. Gladstone has written a letter to the Liverpool Reform Club urging the organization of a mass meeting in behalf of the Armenians, and stating that,

London, Sept. 16.-A dispatch from Rome states that a peace has been concluded between Italy and Abyssinia. The Negus Menelek demanded that Italy should pay him 2,000,000 francs as compensation for sustaining the Italians captured during the war, and also that the limits of the Italian lony of Erythrea be uefinitely defined, and that the Italians keep within those limits. Russia, it is said, supported the conditions laid down by Menelek, and they were agreed to by the Italian Government.

A CLUMSY JOB. London, Sept. 16.-Great interest is shown on all sides in the developments of the dynamite conspiracy, which, taking away from it all police and other exaggerations, seems to have een a very clumsily planned job, carried out with carelessness and bravado. It would seem that if the British poice had been wary enough to get Tynan and his other associates to land on British soil, with their bombs their conviction would have been an easy task, to say nothing of the fact that all extradition proceedings would have been needless. would have been hard to accomplish, as Tynan wanted to do his dynamite ct on French soil, and one of his last actions while at liberty was to wire Bell, at Glasgow, to proceed to

"NO. 1." London, Sept. 16 .- The morning papers devote much space to details, rumors and theories concerning the dynamiters and their plot, but make no mention of any further arrests. It is stated that the police are still searching for somebody in Glasgow. The public procurer at Boulogne-

Great Combination Against Turkish Misrule

Suggested by the St. James' Gazette -Britain, the United States and Italy.

London, Sept. 16.-The St. James' Gazette this afternoon publishes a leading editorial, headed, "A New Triple Alliance." During the course of its remarks on the subject, the St. The Princess Melene, Who Will Soon Be James' Gazette points out the menacing tone of the continental, semi-official press on the subject of Turkey, London, Sept. 16 .- The approaching and says: marriage of Princess Helene of Montenegro to the Prince of Naples is

"We are openly threatened with joint, hostile, European action, if we interfere (in Turkey) against the will of the powers. But there is one comprince. Princess Helene is one of the bination which British statesmanship might effect. Two states which have little to gain from Russia could act with us, and end the tension. The United States and Italy are both understood to be friendly to Russia. Nevertheless, neither is yet too deeply involved to be able to assume an independent attitude under British inin shape, but is a thoroughly well-bred and wholesome young woman in every way. The princess is said to be of a form a new dreibund? Alone of the sweet, unaffected disposition. She nations of the earth, the people of the of the soil. plays the piano and violin, speaks United States can unde German, English, French and Italian, pulse which would drive Englishmen to war in order to suppress the tyranny or rescue the oppressed. of Americans would regard with en thusiasm the spectacle of a Union Jack and the Stars and Stripes floating in the breeze, side by side, in the Bosphorus, to back up their joint

Continuing, the St. James' Gazette points out that Italy is ready to join England in this matter, if invited, and continues: "It might be expected that Russian combination would go to pieces at the mere aspect of this genine league of peace, and the new dreibund might lead to a fresh groupng of the powers, and the delivery of Europe, both from Turkish misrule and the dangerous thraldom to Russia, into which it is sinking.

THE CONSPIRATORS.

Tynan Does Not Claim United States Protection-Bell Taken to London.

ged Irish dynamiter, up to yesterday evening had not applied for the protection of the United States embassy at this capital, and there is said ccasioned utter amazement, as such to be considerable doubt as to whether he has been naturalized an American

Glasgow, Sept. 16.-Edward Bell, the American arrested on the charge of participating with Tynan, Kearney It is believed that Bell in- and Haines in the dynamite conspiracy tended to remain in Great Britain to blow up the residence of Queen Vicafter the proposed explosions had ta- toria at Balmoral while the Czar was ee; salary and expenses paid from start for ken place, but that the others would re- her guest, was handed over to Scotland turn to America via Havre, sailing | Yard detectives this morning, and was thence on Sept. 26. Farmers Interested in Yesterday's Proceedings.

Money Voted for the Promotion of the Dairy Interest. /

Ottawa, Sept. 16.-In the House yesteday Mr. Speaker announced that in accordance with the resolution adopted by the House last night, with regard to the supply of liquor within the precincts of the House, he had given absolute and stringent orders that it shall be carried out. The an-

nouncement evoked no applause. SUPPLEMENTARY ESTIMATES. In reply to Mr. Foster, Mr. Fielding said there would be some supplement Mr. Foster-If the honorable gentle-

tary estimates man would copy my example of the last two years he would not bring down (Cries of "Oh, oh!") Mr. Fielding—If I should follow the example of the honorable gentleman for the last two years I would soon be in his place. (Laughter.) Mr. Laurier said he hoped to be able to say something about the vacant

portfolio in a few days. EXPERIMENTAL FARMS. The House went into committee of

Col. Domville got upon his feet when the item of \$75,000 for experimental farms was reached. The colonel stated that upon visiting the farm at Ottawa he found the director living in a mansion. He wondered how he could keep up such an establishment with the salary voted him by Parliament. It was a bad example to the farmers of the country.

Cries of "Burn it down." Mr. Foster-In view of the appeal the honorable gentleman has made the

Dr. Montague upheld the vote. Sir Henri Joly condemned the work which had been done in the forestry

management of the farm. He had the greatest faith in the new Minister. Mr. McMillan claimed that the farm had not been managed as it ought to officials under him. He proposed to adopt measures to show to the people

spiration. Why should not England a profit to the individual cultivating and the United States and Italy it. He thought sufficient attention had not been paid to the actual cultivation Mr. Casey suggested that it might

ombine educational with experimental work at the experimental The item passed.

DAIRYING INTERESTS. Among the votes passed were two er taken in the past-\$30,000 "to enable the dairy commissioner to promote the dairying interests by advances for making cheese and butter within the headlight shot by the Tecumself Provinces, the proceeds of the sale replaced to the credit of the consoli-dated revenue fund." The other vote vas \$20,000 "to enable the dairy com issioner to promote the dairying inerests of Canada by making provision or the placing of fresh-made creamery butter and cheese on the British marterioration in quality, and for securing

ecognition of quality there." All re-QUARANTINE. ter of Agriculture to state his view of

had considered the subject he had come to no conclusion. He would say, nowever, that no change would be made that would endanger the health Mr. McMillan presented the view of the Cattle Dealers' Association of On-

tario in favor of a relaxation of the In subsequent discussion, it came out that the contract for building the reformatory at Alexandria had been gone on with to a considerable extent. It was started by the late Gov-

Mr. McLennan said Contractor Bourque had quit work and had re- the tunnel, returning to Sarnia by noved all his plant. Was it the intention of the Government to re-let the work to some other contractor? two years in which to complete his pire. A luncheon was served or contract. Until it was shown that he board, when toasts were drunk and contract. Until it was shown that he

Dr. Sproule asked what was the estimate of the work. Mr. Tarte said it was very much higher than the contract price. Mr Bourque had intimated to him that he was able to finish the contract.

Welcomed to London by Thousands of People

And a Guard of Honor From the Twenty-First Battalion.

Lord and Lady Aberdeen Heartily Cheered-The Reception Committees.

Thousands of people gathered on the G. T. R. platform and on Richmond street last night to greet Lord and)

Lady Aberdeen. The train was due to arrive at 7:56 p.m., and at 7:30 a guard of honor, composed of one hundred picked men of the Twenty-first Essex Pusiliers, now in camp, took up a position op-Minister could hardly ask for \$75,000. posite the Tecumseh House. They He should be willing to reduce it to were accompanied by their fine band, under Prof. Ruthven, with Corporal Cockburn, of Wolseley Barracks, as the handsome drum major. Capt. Reeves was in charge, and among the military notables on horseback were Lieut.-Col. Smith, Col. Stacey (St.

Thomas), Capt, Carpenter, and Capt. Dennison The train was nearly an hour late. and the guard was put through a number of movements to relieve the monotony of standing still. It did good service in keeping the street clear, as the crush was something terrific. Carriages were drawn up in front of the hotel for the vice-regal visitors,

and the reception committees of the Fair Board and City Council, who were conspicuous by silk hats the local branch of the tional Council, among whose in-were noticed Mrs. English, the dent; Mrs. Boomer, Mrs. McKinnon, Mrs. C. W. Leonard, Mrs. (Canon) Richardson, Mrs. Gahan, Mrs. Sage, Miss Graydon, Miss McDonald, Miss

Jarvis, and others.

At last the whistle of the engine was heard, and all eyes were turned eagerly toward the track. As the House corner there was a huzzah from the crowd, and the train came into view. It was a freight train. There was a big laugh, and everybody then shifted his weight to the other leg. and settled down for another wait. At 8:30 the wice-regal train arrived. It was ten or fifteen minutes before their Excellencies appeared. Aberdeen wore a white Fedora-shaped hat, and Lady Aberdeen's was plentifully trimmed with bright blue. They walked through the guard of honor, straight to their carriage. They were Dr. Sproule, after speaking adverse- instantly recognized and warmly to the proposition to relax the 90 cheered by the assembled thousands. days' quarantine now enforced against His Excellency lifted his hat, and United States cattle, asked the Minis- Lady Aberdeen bowed and smiled. Then, without a moment's delay, they were driven to the Fair grounds. Mr. Fisher replied that though he by way of Richmond and Dundas streets, which were crowded in the business portions. Their Excellencies were applauded at every corner. In the first carriage were Lord and Lady Aberdeen, Mayor Little and Mrs. English. In the other carriages were Mrs. Little, the Governor-General's aides-de-camp, and other members of val at the air grounds is described elsewhere. Lord Aberdeen had an interesting

time yesterday before reaching the city. He slept in his private car at city. Point Edward on Monday night, and yesterday morning was taken through the same route. Shortly afterwards the countess arrived, and the party were taken, with a number of citi-Mr. Tarte said Mr. Bourque had zens, for a trip on the steamer Emcould not finish the work the Department could not relieve him of the contract.

It is Excellency made a speech. On returning to Sarnia, the vice-regar party visited the Collegiate Institute. where they were presented with flowers, and the new hospital, and left for the east at 5 p.m. The train stopped for a few minutes at Watford station, where the public and high school pupils has assembled. with a band. There was another presentation of flowers, and a brief speech by his Excellency.
