Some Lively Attacks on the Doctor's Position.

Warm Discussion.

of straightening up accounts, etc., and I tion in this matter, but having decapt ascertaining just where they were at. tated Ald. Winnett he proceeds to stab his friends, the doctors, because it is a the ratepayers to add 4 mills to their The accounts were not all in, and the liabilities have not as yet all been settled, but the committee took this occasion to place on record its objection to the letter written by Dr. McCallum, and published in The Advertiser

on Saturday last. Mr. P. W. D. Brodrick submitted a statement of the receipts and expenditures to date. The expenses amounted for tickets, \$120 99 for advertising, \$50 for band, and several other accounts. The receipts amounted to \$2,201 72, of which \$65 20 was received for medals, \$1,613 27 from Queen's Park gate receipts, and \$107 from J. W. Jones. This left a balance of \$1.396 53.

Mr. Brodrick moved that his report e referred to Thomas R. Parker and Mr. Kingston, and that \$1,000 of the \$1,then referred to the necessity of forming a company to complete the col-lection of the funds. People would not give because they did not know just what was going to be done with the money. He was happy to say that a company had secured a charter, the provisional directors of which sat for ad been elected president; Col. Gartshore, first vice-president; Thomas Hobbs, second vice-president; R. W. Puddicombe, treasurer, and P. W. D. Brodrick, secretary. A committee of management was elected, consisting of the gentlemen above named, and Messrs. Charles Hunt and John Bow-

In moving the resolution he desired,

he said, to draw the attention of the committee to a letter published in the fity papers, and signed by Dr. H. A. McCallum, in which the latter endeavored to set himself right with the people as the mover of the resolution at a meeting of medical men held on June 23 for the appointment of a com-mittee to ascertain what could be done owards submitting a bylaw to the peo-ple for the erection of a new hospital towards submitting a bylaw to the people for the erection of a new hospital or two pavilions to the present one. Before doing this, Dr. McCallum had pointed out what he was pleased to call misrepresentations by Ald. Winnett and himself. Mr. Brodrick said he did not think that he as a member of did not think that the present circles did not think their scheme was to be a failure, ed to make some explanation of he statements made by Dr. McCalalsehoods. This, he said, was strong was a credit to the city of London that he name of no other doctor appeared o such a document as this. He could being signed by Drs. Moorhouse, Campbell, Wishart, or Eccles. Dr. McCal-ium, Mr. Brodrick said, had accused him of laboring to lead the council to believe Drs. Balfour and Belton were This he denied emphatically. and stated that he could not have been so reported, because the word hospital had never been mentioned to Dr. Bal-four, while Dr. Belton was a perfect stranger to him, and he would not know the gentleman if he walked in the room then. Dr. McCallum, in his

"Ald. Winnett, in keeping with the conduct of some other members of the was in favor of a new site." taken at a jocular remark made by one of the committee (the remark has been credited to himself), that no representative from the medical society or profession would be welcome on the inbilee committee. Before I point out the real motives that prompted the signers of the manifesto, I would like to ask if that statement was a joke."

It were carried on under the proposed scheme it would only be following the same system of management as governed the Toronto General Hospital, the

Mr. Brodrick continued to read the letter from The Advertiser, and said: "We now find about half a column of ancient history. The doctor uses que plate a schoolboy being guilty of." He read from The Advertiser the following extract from Dr. McCallum's letter:
"What is more astounding, they have for the benefit of patients. He had al-"What is more astounding, they have for the benefit of patients. He had alproposed to the county council that if ways fought for it, and he intended to I am pleased to make it known their new hospital, or yearly \$800 at 4 per cent, the county could send in their he might remark would be stated as sick poor free of charge. The county the representative of an old and esper cent, the county could send in their charged the actual cost to the city per stewardship.

he public attention."

well-known maxim in law that the man receiving stolen goods is equally guilty with the man who steals them. Consequently the 39 doctors who did not put their hands to the plow will be equally guilty of the criminalty referred to. But can you imagine a doctor making such a fuss over a corpset of the great mass of the great mass of the covery hand by the great mass of the

whom have been acting from the highest and best humane motives. I trust, therefore, that an attempt at reply representatives of all classes, and es-396 53 be handed over to the treasurer therefore, that an attempt at reply of the Victoria Jubilee Hospital. He will take on the character of a judicial utterance against any or all my positions, and no attempt will be made to

Mr. Brodrick concluded by saying: would be withdrawn. He was in hopes that the scheme would be a success, and that London would soon trust, but wish to work in harmony with one and all of them."

saccess, and that London would so have a hospital which would be credit to it. If some medical men h Dr. J. D. Wilson referred to the resolution of Dr. McCallum, and said that that gentleman was evidently just awakening to the fact that a new hoscital was going to be built in London. Dr. McCallum had been invited to several meetings, and this one, at which he moved the resolution, was the first one Dr. McCallum had attended. He knew Dr. McCallum had referred to the loint steel. joint stock company as follows: "The presence of two of the joint stock company before the council to oppose the free expression of opinion of the representative committee of the profession is a subject that needs no comment."

Dr. Wilson replied to this by saying that they thought it well to be there to hear what was said by the doctors, after the statements made by some of

minds that they were not building a pauper hospital, but the paying public were being educated up to their use." tee met," said Mr. Burke. "there was an 'ad.' placed in the city papers inviting all societies, organizations and viting all societies, organizations and did, but only to the committee. He He said it was a very erroneous argument to follow to take what we could get, because if we didn't we could get nothing, and he voted against could get nothing, and he voted against statement he makes above."

Junie committee. The 'ad.' appeared on March 29, yet Dr. McCallum would the hour, day or week. All new what we could get nothing, and he voted against statement he makes above."

A. A. H. Crabb & Co.. 255 Dundas street. Dr. Cl. T. Campbell's motion for the erection of the new ward or pavilion

> Dr. Eccles said: "That no medical man in the city is opposed to a new hospital. The old hospital is not properly heated, and the administration building is only suited for nurses' There should be no patchsolution at a large meeting of the hospital profession: "That we, the nembers of the medical profession, nere assembled, are fully in sympathy

Dr. Wishart said: "That he was one of the practitioners who were in favor of a new hospital; that he had been was severely taken to task by master, when he replied: "Oh, Lord! massa, that 'ar deer jumped so high he will kill himself." on the hospital staff fifteen years, and believed it would be impossible to reconstruct the present building. He Mr. Parker read his report of the concert committee, showing receipts of \$616 30, of which \$452 25 was the pro-

it were carried on under the proposed Sodality of the B. V. M. to ask if that statement was a joke."

"With regard to that," said Mr.Brodrick. "I know of no member of the committee who said anything detrimental to the doctors. Personally, I say nothing behind a man's back that I would not say to his face, and all how know me know that I have the fatt.

would not say to his face, and all hospital trust on the hospital trust on the hospital committee—Col. Lewis and Mayor Little." Dr. Wilson said he had written twice to Mr. Gilmour, and consulted him once personally. Mr. Com-Referring to the question asked by Dr. McCallum as to "who called the entire medical profession together at the board of trade room, ostensibly to consult them on beginning to the description of the consult with him. Mr. Purdom was requested to assist by Dr. Wilson stated them. the board of trade room, ostensibly to consult them on hospital matters, and on their arrival insuitingly told them there was nothing to discuss," he knew nothing. He was not aware that anynothing. He was not aware that anything insulting had been said. He felt that they had been very courteous-felt fingers of one hand, and ents on the fingers of one hand, and they would be shown up before the company got through with the scheme, if it were necessary. If the five docations which are not his own, and I tors had expended the same energy in appose The Advertiser is responsible principle of the responsible of the responsible principle of the responsible of the respon

fight for it to the end.
Mr. L. W. Burke said that anything last year gave the city \$2,660 for main-tenance of county patients, they being teemed fraternal organization to which he had yet to give an account of his

day. What way were they going to prevent the county flooding the hospital with their sick poor, seeing they held a carte-blanche?"

"Mr. Bordrick, I think." continued Mr. Burke, "has fully demonstrated that Dr. McCallum is very loose in his statements, and certainly it would not We went to the county council," he require a microscope to discover that position to deal with the matter, and neither were we, we talked the matter over in a friendly way. Mr. C. C. Hodgins asked the question, 'If we take \$20,000 worth of stock in your company, will you guarantee to keep our patients for 50 cents each per day?' I said to him: '\$20,000 is nothing to a county like Middlesex. You should make it \$30,000 or \$40,000.' Dr. Wilson then said: 'It might be done for 50 cents, but you are at present paying 57 and 63 cents per or hospital matters, as his training.'

"Discovery."

"Dr. Pierce, I am one of your most grateful patients, writes Mrs. Annie M. Norman, of mentary knowledge of the subject dealt with. but Dr. McCallum's sole qualification appears to be an unconsciously writ down ass."

A more illogically arranged article I have yet to read. Any school boy could improve its liberary style, and grammatical accuracy. I do not know that the public regard him as an authority on hospital matters, as his training.' said, "and though they were not in a he uses the truth with the most pen-position to deal with the matter, and urious frugality. Still one would pre-

building. He says there are two ways acilities: 1. By asking for nothing. 2. By asking for the impossible and un-obtainable."
"Well, after diagnosing his case, he

Hands a Balance of \$1,000 to day respectively. We are not in a posiformer by remaining silent during the tion to give a guarantee at present."

Dr. McCallum in his letter said:

"Nothing but failure can be the end of this scheme. There is no jubilee debentures to patch up the old buildcommittee in existence now, but their child, the joint stock company, claim divine right to occupy the public attention and arena at their own sweet will, to the exclusion of all other methods of seeking to increase our hospital accommodations."

depending to patch up the old building. He was told last March at a meeting of the medical profession by Dr. Cl. T. Campbell, who is regarded as an authority on civic finances, that there is not the slightest possibility owing to our financial position of raising even a small amount by way of deods of seeking to increase our hospital accommodations."

"In this,' said Mr. Brodrick, "he told the one truth unknowingly. There is no committee, and the joint stock company claim the divine right to occupy the public attention."

In this,' said Mr. Brodrick, "he told bentures; that our present debenture debt is near two and a half millions; that part of this is Port Stanley Railway stock and bonds that cannot be sold at their value, and that our liabilities exceed our assets; that we have Mr. Brodrick, continuing, read: "This bilities exceed our assets; that we have Mr. Brodrick's Broadside — The Committee Say They Are Determined to Push the New Hospital

Scheme — The Provisional Directors Elect Officers.

The jubilee hospital committee held a meeting last night for the purpose of straightening up accounts, etc., and ascertaining just where they were at late of the most opportuning, read: "This committee had full possession of the most opportune time in this century to gain a favorable verdict from the people for an entirely new hospital. They wasted time and effort, and criminally wasted a grand opportunity."

"The good doctor," he added, "having decapitated Ald. Winnett and myself, and I confess I feel flattered at being at least worthy of the doctor's attention in this matter, but having decapitated Ald. Winnett he proceeds to stab tated Ald. Winnett he proceeds to stab tated Ald. Winnett he proceeds to stab tated our full borrowing capacity, and that it is exceedingly questionable whether the Ontario Legislature would permit us to borrow even for so laudable a purpose. And his worship the mayor has told him that he (the mayor) has always discouraged the application to the city owing to the extraordinary expenditure it was making in sewerage and other projects.

"Yet Dr. McCallum would put the citizens to the expense of \$600 and ask

well-known maxim in law that the present taxation, knowing, as he mus tor making such a fuss over a corpse, as he terms the jubilee committee? tor making such a fuss over a corpse, as he terms the jubilee committee?

"Mr. Chairman, I have seen in my native land what probably very few in this country have witnessed. I have seen men with shillelahs over their shoulders, trailing their coats in the dust behind them, saying, 'Who will tread on the tail of my coat?' Dr. McCallum has forgotten one important characteristic of the Irishman—that is courage. He threw his coat over his shoulder and said, 'Tread on the tail of my coat, but don't strike me and my friends the doctors,' for he says: 'In conclusion, I desire to say that I have left unspoken any reasons that important the same beyond this will have no intrinsic value. It is thought that a management by a board of directors, commended that a check for the same be returned to the city council.

Ald. Winnett thanked the committee, Ald. Winnett the had known the did the had known the scheme.

Ald. Winnett thanked the committee, and said that if he had known the did the had known the scheme had be expended that the city council will favorably consider the plan the members of the city council will favorably consider the plan the member of the city council.

Ald. Winnett thanked the committee, and said that if he had known the scheme had been said that if he had known the did the member of the city council.

Ald. Winneth thanked the committee, and said that if he had known the scheme had been said that the council that the city of London would have moved it. He was glad the scheme had been successful so far, and they are satisfied that the city of London would have moved it. He was doubtful if he ever would have moved it. He was doubtful if he ever would have moved it. Ald. Winneth the induction of the scheme had been successful so far, and they are satisfied that the city of London would have moved it. Ald. Winneth the induction of the scheme had been successful so far, and hoped that the city of London would have moved it. Ald. Winneth the induction to the fact of the city of London would have moved it. Al left unspoken any reasons that implied a personal reference to any member of the jubilee committee, many of tablish in our midst an institution which every citizen can point to with

accuse the profession of want of enthusiasm over a scheme that promised thusiasm over a scheme that promised thusiasm over a scheme that promised such statements, and he hoped they withdrawn. He was in credit to it. If some medical men had of Mr. Brodrick's statement contained

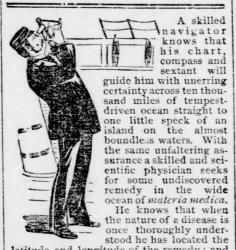

the money collected by the school children. Mr. Brodrick replied "No Callum's letter: "I would like to ask if that statement was a joke. If so, then why did this jubilee committee invite every organization, society, lodge and club in the city to send representatives, and withhold an invitation to the medical society and medical faculty till they had finished all their

companies to appoint a delegate to the lee committee. The 'ad.' appeared statement he makes above. Mr. John Bowman thought that if the mayor called a meeting of the the scheme might be carried to a sucessful end without any friction. Mr. Brodrick's motion to hand \$1,000

Rev.B.B. Johnston gave his reason work," and on April 14 he moved a re- for not replying to Dr. McCallum's communication. He said Dr. McCallum reminded him of a fellow negro who was stationed by his master or a runway to kill deer. A handsome with the citizens to build a new hos- buck having passed unmolested, Sambo was severely taken to task by his

conduct of some other members of the joint stock company, tried to belittle the medical men of this city by saying the medical men of this city by saying the medical men of this city by saying lum's history of hospitals of 1,000 years tures amounted to \$595 48, leaving a lum's history of hospitals of 1,000 years tures amounted to \$595 48, leaving a lum's history of hospitals of 1,000 years the auteometric from the second concert. The expenditures amounted to \$595 48, leaving a lum's history of hospitals of 1,000 years the second concert. balance on hand of \$20 82.

Rev. M. P. Talling moved a vote of thanks to Ald. Winnett for the earnest

certainty across ten thoudriven ocean straight to one little speck of an island on the almost boundless waters. With the same unfaltering assurance a skilled and scientific physician seeks for some undiscovered remedy in the wide ocean of materia medica. He knows that when the nature of a disease is

sextant will

stood he has located the latitude and longitude of the remedy; and its ultimate discovery is only a matter of time. It was in this way that Dr. R. V. Pierce, of Buffalo, N. Y., was guided to his world-famous "Golden Medical Discovery" for the cure of consumption.

He realized that consumption is a constitutional malady, deep-seated in the blood. He sought and found this marvelous constitutional remedy which renovates and enriches the vital current with nutritious lifegiving elements; healing wasted tissues, restoring digestive and assimilative power, and building up healthy flesh and genuine

traordinary "Discovery" is the most per-fect alterative remedy and strength-builder known to medical science. It is not a mere temporary stimulous like various malt "extracts." Its good effects are permanent.

Where costiveness is among the prevailing symptoms, Dr. Pierce's Pleasant Pellets should be used in conjunction with the Discovery.

OAK HALL

We can suit you for \$5, or we can suit you for \$15, according your tastes and your pocketbook.

We can fit you at a moment's notice.

No chances to take here, for our tailors are as good as yours. Our suits at \$6, \$6 50, \$7, \$7 50, \$8 and \$8 50 are well put together and well shaped.

There's fifty different styles of cloth for you to select from. Every suit is up to the latest fashion reports in style.

Here and there you may find a suit that will compare with one of ours, but you cannot find a line of suits in London that will hold a candle to our styles.
