THE WEATHER TODAY:

"SOLD"
AGAIN
A good pair of shoes can be sold again, and quite a lot of extra wear can be got out of them in this way. There are kinds that can't be sold again, that are not worth repairing, and they do well to wear out their original sole. Those with good, solid, strong, again sure. But never did sell goods, but when goods were sold, public generally should be informed of the fact. The term "Dyogoods" make the meaning very plain:

Boys'...
Girls'...
Ladies'...
We still have a few sizes in those popular 25c Rubberboots. They'll keep your feet dry, and are a big bargain. We have two great bargains in Walking Boots for spring wear. Needle toe selling at \$2.25 and \$2.35. Calf toe at \$2.50. All the style.
