the rapid pace at whall your this country live has made such an alarming increase in iron deficiency in the blood of American men and women that there is a surprisingly large number of people who lack iron in the blood, and who never suspect the cause of their weak, nervous, run-down state. Lack of sufficient iron in the blood has ruined many a man's nerves and utterly robbed him of that virile fo.ce and stamma which are so necessary to success and power in every walk of life.

The best thing for those who feel the need of a strength and blood-builder is to get a physician's prescription for organic iron—Nuxated Iron—or if you don't want to go to this trouble, then purchase only in addition to organic iron, Nuxated Iron also contains a product which represents the principal chemical constituent of ACTIVE.

In addition to organic iron, Nuxated Iron to go to this trouble, then purchase only Nuxated Iron in its original package and see that this particular name (Nuxated Iron) appears on the package.

NUXATED IRON often increases the bodily and mental vigor of weak, tired, wornout, nervous people in two weeks' time. It's like the iron in your blood and like the iron in spinach, lentils and apples. You can eat it if you wish. It will not blacken or injure the teeth nor disturb the stomach —It is entirely different from ordinary metallic iron which people usually take and
