Mayor Sloggett acted as chairman, and read a petition signed by nearly 100 per cent of the merchants of St. Thomas asking that Wednesday, September 17, be proclaimed a half holiday. The prayer of the petition was recommended to be granted by the city council, by the merchants present. In all probability a number of the manutacturing concerns will continue operating, as their employees will be to a certain extent affected through loss of time while with the majority of business houses the employees are paid a weekly wage and will not be affected by the closing.

those which went in 1922 and 1923; a team with hitters who stand well amon. O.B.A.A. batters, and a pitching staft that has been tried and not found wanting during the play-offs.

Billings is considered by many as the best man for the job, and the chances are that he will take the mound tomorrow. The big boy is better this year than he was a year ago, and with his teammates playing the game behind him it will be a hard nine to beat.

The Galt Terriers are a hard team to best, and although some minor changes have been made in their line-up, they are still considered fast all around. The name of Galt Terriers has stood for the best in baseball for many years, and the Saints know exactly what they are apagainst. A block of seats for the Galt grandstand has been received by G. G. M. Jamieson to be dispossed locally.

Mr. Jamieson has made special provisions for sending the fans to Galt, and a special train is being made up, leaving the city at 12:10 M.C.R. The train returns at 7:30, and provisions are made to have a buffet service en route.
