R. for consignment by one of the trains, and the probability i plant, which weighs 8,500 pour being sent south from Golden Creek. Good returns are early from this property. Shaft this property

Smuggling Detec Last night Custom Officer seen chasing two men up Jo who were laden with good who were laden with good Steamer Geo. E. Starr. 'I catching them, however, and the steamer with special assthere found a large number cards concealed under the bunks. Capt. Green knows to occupy the bunks and has discharge them upon the stea at Port Townsend. Special detailed off to arrest the men return to the steamer. return to the steamer.

Splendid Fruit Splendid Frait.
Some splendid samples of Alberni are on view at Mr. Bers' store on Johnson street was grown by Mr. G. D. Alberni, and it is in every y to any ever grown in Califor the samples are a fine citro tomatoes, apples of a weight each, lucious Bartlett pear onions. Evidently the soil of the Alberni valley is onions. Evidently the soi of the Alberni valley i adapted for fruit culture, a regular steamer service is doubt the settlers there very the settlers the settlers there very the settlers the settlers there very the settlers the fruit growing, as a ready found for it here By me Clarke has promised to samples of potatoes, turni other roots, which, he say perior quality.

A fire at Vancouver at 6 day morning destroyed the Spinks block, corner of Car penheimer streets. Fou contents are a total loss.

a barber shop are badly
