the Sharp Game of Wm. P. Sawyer-He Skips Out with \$1200 Worth of Dis-monds-A Bogus Drast and Worthless Money Package.

Wm. P. Sawyer, the young man with the terra cotta hair and moustache who for the past six months was to be seen behind the desk at the Rossin house performing the duties of clers, handed in his resignation to Chief Clerk Nolan Wednesday morning without previous notice. Mr. Nolan was taken somewhat by surprise but said nothing. He examined Sawyer's accounts and found them correct. Sawyer said his reason for leaving was that he wished to return to the boot and shoe business with Mr. Brown in Queen street west. The proprietor of the hotel subsequently had a talk with the young man and told him there was something on his mind. "Whatever it is," said Mr.

Irish, "I would advise you to get rid of it, as it is nothing good." As will be seen by the sequel, Mr. Ir.sh's words proved to be prophetic. Nothing further pased then and Sawyer was paid off. About noon an express package from Chicago marked \$500 arived at the hotel for Sawyer. It was placed in the safe, pending the ex-clerk's return. He came back between 1 and 2 and on being informed of the arrival of the

harvested. The crop of oats is very heavy and of splendid quality. Wheat and buck-wheat has, generally speaking, turned out well wherever grown. The potatoe crop still has to be harvested. It will not be a "No quorum" is the most frequently heard remark about the city hall. The corridors resound with it and it fills the committee rooms. It was sung for an hour yesterday to the tune of markets and health, yesterday to the tune of markets and health, which committee was unable, to transact any business, Ald. Love, Carlyle, Alled and Baxter being the only members present. The public would like to know what the aldermen were elected for

Dismissed With Costs

Judgment was given yesterday by Justices Barton and Osler, dismissing the West York election petition with costs, and confirming election petition with costs, and confirming Major Gray, the conservative candidate, in the seat. On the objection raised by peti-tioner's counsel against votes cast in Vanghan because the names of the voters did not appear on the assessment roll, the court said the objection could not stand in this case, as the petitioner did not claim the seat.

Baby Farming on King Street.

Reports have been going around to the GUELPH, Sept. 27 .- The number of people effect that Mrs. Mount, 425 King street who visited the grounds to-day was very east, has for the last few months been keepeast, has for the last lew months been keep-ing a very extensive baby farming estab-lishment, as many as fifteen infants having been seen taken into the house during one week. The other night the police visited the place, at the request of a neighbor, and with the result that the business has been large. The show of agricultural implements is very large. The roots make a most com-mendable exhibit, and there is a splendid show of dairy products. The poultry in-clude some very fine and rare species. A shower of rain prevented the hand tourna-ment from going on to-night.

Run Over by a Street Car.

MONTREAL, Sept. 27 .- William Wright, On Saturday last the remains of Mr. Joel on of Edward Wright, locally known as Hutchinson, son of Mr. John Hutchinson "Ned the sailor," was found drowned in the canal here. He had been drinking with a of Aurora, were brought home for intercompanion, who for some time concealed his knowledge that Wright was drowned. An inquest will be held.

the seat.

of Adrora, were brought home for inter-ment. Two weeks ago one of his feet was run over by a street car in Toronto, and so badly injured that it was found necessary to amputate it. The young man did not rally from the shock, but died the early part of bat mach Charged with Forgery. WINNIPEG, Sept. 27.—John Woltz, jew-eler, is arrested charged with forging checks amounting to \$4000. of last week.

night. Promenade Concert and Festival. The promenade concert and festival at the Adelaide street rink in ail of St. Helen's

church, Brockton, was without doubt a comp'ete success, at least twelve hundred persons being present. The proceeds were certhinly very large, as the number of ladies interested in the fancy, and refreshment tables were pushing the sale of their numerous visitors with as much energy as if they ous visitors with as much energy as if they were in the commission business. Great credit is due to Mrs. Madden and Miss O'Dowd, who had charge of the postoffice, the correspondence being both witty and interesting, and to Miss Tapsfield and Messrs. E-gan of Hamilton, and Beauchamp of Montreal, who displayed their vocal talent greatly to the satisfaction and enjoyment of the andience, and to Miss Annie Mitchell, who acted as accompanist. The Irish Ca-tholic benevolent union and Massie manu-facturing company's bands delighted the

facturing company's bands delighted the audience with their many and choice selec-Mistaken for the Governor.

Ald. Baxter accompanied the gubernato-rial party to Guelph Wednesday. There was a big crowd at the station to greet the visitors, and it was with difficulty the latter made their way to the carriages awaiting them. The lieutenant governor and his ladies got off in the first carriage before ladies got off in the first carriage before many of the spectators had a chance of seeing them. When the portly form of Ald. Baxter loomed up in the second car-riage, alongside of Capt. Geddes, the gov-err or's aide, in full regimentals, the crowd felt sure that he was the governor, and in an instant the worthy representative of St. Patrick's ward found himself the cynosure of all eyes, and chears rent the air and hats were doffed as the carriage rolled away; Ald. Boxter bowing and smiling at his best. An honest granger who is an enthusiastic ad-mirer of fat stock was heard to remark that he "was a darn'd solid man to have for guviner."

The Executive Committee There was a bare quorum at the executive vesterday, viz : Ald. Clarke (chairman) Ryan, Davies, Blevins and Denison. It was decided to ask the council for the ap-

heard of his afternoon's exploits. Later on proved that the 'mantle of the father had tallen upon the son, although in the falling it has hardly assumed the same old folds, and does not appear to hang with the same ease and grace as of yore. The principal points where the young man appears to be'defective are in the tami-liar skip and in the drawling pronunciation of some words. These defects will, how-ever, vanish with time and the pre-sent and the next generation bid fair to witness the perpetuation of a performance which afforded infinite amusement in the past. Speaking generally, the support is good, being all that the piece calls tor. Dundreary will skip the boards again to-night. The case was of course reported to the po-lice but there is not much chance of catch-ing the swindler, as he is doubtless by this time across the border, slyly laughing in his sleeve. News from Algoma. A letter from a Toronto conservative, who is up in Algoma working for Plummer, says "the chances" for his party "are all up, as the Grita fixed the place four months ago." To day's election will settle that.

THE DAEN THING WON'T LIGHT. Petley has a wild Irishman as porter. Last night he went to the door and saw all the other electric lights down the street burning and the one at the Griffin dark. He said nothing, but went in and go a ladder, placed it under the lamp, climbed up, struck a match, and held it under the carbon. Not

meeting with any success he rolled up a newspaper and, lighting it, held it under the globe. The paper The philosoph burned out, but not the carbon. The phile of the situation he summed ub in these word The darn thing won't light.

THEVY'S SQUIB

The town seemed to be so greatly tickled over Mr. Trevalyan Ridout's letter in the Mail and th verses on it in these columns yesterday morning that we now give the distinguished "squib" which was the occasion of

> Ye Ghastly Gorge. Lord Coleridge is a "Blawsted" He truckles to the Yankee, We ask him to a Splendid Spre And never get a "Thankee.
