What Dr. Strange Says About It. 218 SIMCOE-STREET, TORONTO, May 16, 1889.

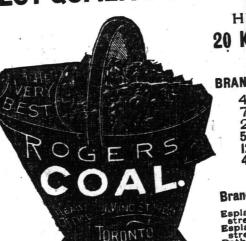

Gentlemen,
The Asphalt flooring laid by your firm last year in my stables and coach house has given
me great satisfaction. It appears to be perfectly durable, does not absorb fluids and is
me great satisfaction. It appears to be perfectly durable, does not absorb fluids and is
consequently always sweet and clean. Another good feature it possesses is that it never
consequently always sweet and clean. Another good feature it possesses is that it never
becomes slippery. I do not see how it is possible to have a more satisfactory flooring for

FREDERICK W. STRANGE. What Architect D. B. Dick Says About It. Messrs. Bryce Bros., Toronto:

Dear Sirs,
Replying to yours of yesterday in reference to the stable floor which you laid for me some time ago with your pavement, I have pleasure in saying that when I last saw it—which was after it had been in use about four months—it appeared to be standing very well indeed, even the sharp winter calks having made very little impression on it. Yours truly.
D. B. DICK, Architect.
