teries. Bennett and Wardell are well known and in their old-time fine trim. Driscoll and Fitzgerald, the pitcher and catcher of last season's St. Michael's, have taken kindly to University baseball and will be in the points for 'Varsity's first inning. Sampson, pitcher for the Orioles of this city, is a 'Varsity freshman, and with Parker are also an eligible pair.

The club has a great find in Moore, who played in the Y.M.C.A. nine of Hamilton last year and was by far the best man in that team. He is a good hitter, sure catcher and baserunner, and plays first base or in the outfield. McIntosh, '92, will cover second base and is very enthusiastic this year. Pitcher Sampson is a good shortstop and Capt. Wardell will start the season on third. Knox, a fielder from the West, will be placed in centre field, while the other gardens will be looked after by Pitcher Bennett and Catcher Parker, both good with the bat and fly balls. Stuart, Carling, McQuarrie and several others are also available.

The annual meeting of the St. Catharines
Lawn Tennis Club was held Tuesday evening. The old officers were re-elected: President, H. J. Taylor; vice-president, D. B. Crombie; secretary-treasurer, E. G. Rykert; Committee of Management—C. H. Connor, H. Collier, Dr. Merritt and A. W. Marquis. The success of last year's tournament, which brought to town some of the best players in Canada, was commented on, and it was decided that the same should be annually repeated. The last week in July will probably be the date for this year's tournament. There will also be a handicap tournament toward the end of the season, open only to club players.
