EFFECT OF THE NEW RACE LAW

Morris Park Is to Let—A Two Million Future on the Market.

New York, Nov. 26.—The announcement that John A. & H. Morris have decided to retire from the active management of racing at Morris Park, and to offer the property for sale, has caused the highest bidder, was the upmost topic of conversation among racing men yesterday. The move is to some extent one of the first-fruits of the adoption of the constitutional amendment which prohibits betting on horse races, but it is well known that other causes have influenced this decision on the part of the Morris family.

Morris Park, which covers an area of 1,200 acres, and is situated on the edge of the city, is one of the most valuable pieces of property in the city. It has been a source of income to the Morris family for many years, and it is estimated that the property is worth at least \$2,000,000.

The Morris family has been in the racing business for many years, and has been successful in many ways. They have owned some of the best horses in the country, and have won many races. They have also been successful in the breeding business, and have produced many champion horses.

The decision to retire from the active management of racing at Morris Park is a significant one, and it is expected that the property will be sold at a high price. The Morris family has been in the racing business for many years, and has been successful in many ways. They have owned some of the best horses in the country, and have won many races. They have also been successful in the breeding business, and have produced many champion horses.

If the Coney Island Jockey Club takes the track there will be high-class racing for lovers of the sport in New York and vicinity next season. The betting ring, however, will not be the source of revenue upon which the greatest dependence will be placed. Furthermore, it can be announced upon authority that all state events will be run off at Sheepshead Bay and Gravesend, unless the Legislature expressly forbids racing. That means that the Brooklyn Handicap and the Suburban will be run off at Sheepshead Bay. There is a large surplus in the treasury of the Coney Island Jockey Club and the New York Jockey Club, and it is expected that the property will be sold at a high price. To Sell for Part Friend.

Bedford, Ind., Nov. 26.—In the Circuit Court here, jury, after being out 15 minutes, returned a verdict of guilty in the case against John Kehoe of Hancock, Mich., for entering a horse at the Bedford Fair under a false name, and out of his class, and he was sentenced to the penitentiary for one year. The horse was entered under the name of "The American Turt." There is a large surplus in the treasury of the Coney Island Jockey Club and the New York Jockey Club, and it is expected that the property will be sold at a high price. Mr. A. F. R. Martin, the popular secretary of the Canadian Rugby Union, yesterday received a letter from A. E. Gleave, secretary of the Kent Wanderers, in reference to the proposed visit of an English Rugby team to Canada next year. Mr. Gleave writes that he will bring a team to Canada, if a guarantee of £500 can be procured. His idea is to have the team leave England about the beginning of October, after playing three or four matches there, and to play 14 or 15 matches in Canada.

The team would likely include 20 men in all. Mr. Martin will first introduce the matter at the Ontario Rugby Union meeting next month.

Efforts will be made to secure guarantees in Montreal, Ottawa, Kingston, Toronto and Hamilton, besides contests with picked teams from the Ontario and Quebec Unions. Secretary Gleave expects to bring a very strong aggregation, which will likely include several internationals.

Football Kicks

The British American Bulldogs College and St. Michael's College have arranged for a game of Association football for next Saturday at 2:30 p.m.

Duke Collins yesterday received a communication from Mayor Stewart of the Hamilton Press, asking for a return match up there next Saturday. It is likely the Moosehacks will rest on their laurels until November 30.

R. Mowton, who was injured in the football match on Saturday, was removed to the hospital in Hamilton yesterday, and it is expected he will be able to be round again. In endeavoring to kick the ball, Reggie was unfortunate enough to snap one of the tendons of his leg, and the mishap will lay him on the shelf perhaps for some weeks.

The Harbord Collegiate and Ridley College teams played a match on the old cricket grounds on Saturday, which resulted in a victory for the latter by 22 to 0. The Harbord team: McDougall, Foreman, Morton, Morrison, Brown, Sanderson, Simons, Berrington, Harris, Ross, Dinnick, McVitt (capt), Newall and Davidson. Referee, Barry, umpire, Armstrong.

Blue Garter, a 100 to 1 Shot.—The weather was cool and pleasant again today, the result being that the largest crowd of the season was in attendance. There was a slight falling-off in the number of books, but 10 weighing in. While the scratches were numerous, the field left in were still large. Sam Doggett was engaged to ride a horse in the opening race, but refused to do so when he saw the big field that was to start. As he would not keep his engagement, Secretary McIntyre refused to allow him to ride the remainder of the day. Strong pressure was brought to bear on the secretary to allow Doggett to ride Whiskey in the match race. As that was one of the conditions of the affair, Mr. McIntyre consented rather than have the race fall through. Pittsburgh Phil made one of his old-time plunges on his 3-year-old colt Thurston in the second race. He left it all with the bookies, as Thurston was unplaced. Summary:

First race, 1-2 mile—Horse, 108, Lamley, 5 to 2, 1; Austin, 104, Tribe, 6 to 1, 2; Eliza Morrison, 109, Simms, 2 to 1, 3. Time 40.84. Frolic gelding, Flash, Maringo, Meteor, Boothroyd, Asia, Pretense also ran.

International Curling.

New York, Nov. 26.—A special meeting of the Executive Committee of the Grand National Curling Club of America was held at the New York Caledonian Club room this evening. President L. H. Thomas of Yorkville, who presided, announced that the committee had decided to make the Mitchell gold medal will be played for at Albany, the Gordon international at Montreal, the Dalrymple medal in New York, and great interest being taken in the great gathering of curlers at Milwaukee in January.

Billy Plimmer Beats Kelly.

New York, Nov. 26.—A large crowd witnessed the bouts in the arena of Seaside, N.Y., last night. The event of the evening was scheduled as a 20-round contest between Billy Plimmer of England, champion bantam weight all over the world, and Charlie Kelly of New York, who thus far had won nearly all his matches. The contest was a very close one, and Kelly was the favorite. He had to fight in the ring of 114 lbs. and he was both very tough and very clever. Plimmer had Kelly at his mercy from the first and before the third round was completed the police stepped in to prevent another knock-out. Plimmer was declared the winner.

Mr. A. F. R. Martin, the popular secretary of the Canadian Rugby Union, yesterday received a letter from A. E. Gleave, secretary of the Kent Wanderers, in reference to the proposed visit of an English Rugby team to Canada next year. Mr. Gleave writes that he will bring a team to Canada, if a guarantee of £500 can be procured. His idea is to have the team leave England about the beginning of October, after playing three or four matches there, and to play 14 or 15 matches in Canada.

The team would likely include 20 men in all. Mr. Martin will first introduce the matter at the Ontario Rugby Union meeting next month.

Efforts will be made to secure guarantees in Montreal, Ottawa, Kingston, Toronto and Hamilton, besides contests with picked teams from the Ontario and Quebec Unions. Secretary Gleave expects to bring a very strong aggregation, which will likely include several internationals.
