In the meantime all requests of inval-

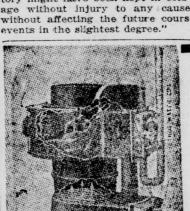

a cleaner, more beautiful London. Aged

Every group of boys which is conducting an investigation in any section of the city will be in charge of an older, competent leader and he will have a permit from the Board of Health authorizing him to make reports wherever he goes. With the garbage department willing to set aside its restrictions till the end of the week, it is contended that there is no valid reason why the city should not be completely cleaned

identify himself with strangers. Your Piano **NeedsTuning**
