There is one sure way to get well. That is to restore the inside nerves. Dr. Shoop's Restorative is the only treatment that in any way affects the inside nerves. It is a remedy which acts safely and positively, not on any specific organ, but on the very inside nerves themselves—a medicine which gives them power, and strength and reinforcement, that repairs the very maturing of life, that vitalizes every organ. **Port Huron Girl Accomplished Singer in Four Languages.**  
Miss Leila Scott Burwell, aged 21, daughter of Mr. and Mrs. R. G. Burwell, is a singer in four different languages. She is a contralto soloist of some note. She graduated from the Ohio Wesleyan School of Music at Delaware, O., a little over a year ago, and immediately left for Germany, where she took up more advanced study under Madame Carl Altes, of Leipzig, in the largest and most famous school in the world. Miss Burwell graduated and returned to her home in this city. On her way she visited several other music schools and became acquainted with the foreign methods.  
Miss Burwell sings in French, German, Italian and English, and has attained a high range of voice, R. G. Burwell, her father, has a drug-store in Detroit.  
The above sketch will be of interest to many of our readers, her parents Mr. and Mrs. R. G. Burwell being well known here and around Wvoming.

**Heaviness, Lassitude, Drowsy and Dull.**  
**Do You Feel That Way.**  
How provoking these symptoms are! You sleep well but when you waken there is none of the exhilaration that sleep and rest should confer.  
Instead of being alert, having quickness of apprehension, there is languor, dullness, a disinclination to do things.  
Three causes for this feeling.  
Lazy liver, lazy kidneys, and a mighty lazy stomach which does its work very poorly and compels the other organs to do things they are unequal for any length of time.  
Note the consequence—blood is filled with wastes—poisons weigh down the nervous system—rebuilding processes are absolutely stopped.  
You'll note an instant change when you take Ferreroze.  
Appetite improves, digestion becomes good as ever—skin grows ruddy and clear, all sense of languor, unsteadiness and depression fades away and finally disappears. Ferreroze clarifies the brain, supplies tone and vigor, imparts clearness and strength. You feel like a new person, full of life, full of ambition, ready to do things—and able to do them also.  
Think it over. Ferreroze is a tonic that uplifts, uplifts, that nourishes and restores the sick by supplying the elements their weakened system need.  
It can't help but do you good. For men, women and children, in fact anyone seeking strength and health, Ferreroze is invaluable; try it, sold by all druggists in 50c. boxes.

The Lady—And won't he give you one?  
The Hobo—I reckon he would, ma'am, but he's been dead for twenty years.

**Smallpox Prevalent.**  
Toronto, Jan. 17.—"There is more smallpox prevalent at the present time than for years," said Dr. Hodgetts, secretary of the Provincial board of health, this morning.  
Three more cases were reported, one from Kent and two from Wellington county. All are of a mild type, and Dr. Hodgetts fears there is considerable of a mild type being passed as chicken-pox. He urges local health officers to be more strict in their reports, and also to enforce the vaccination law.

**OBITUARY.**  
**MRS. N. BOSWELL.**  
After a somewhat lengthened illness borne with great patience and resignation the late Mrs. Boswell passed peacefully away on Saturday morning, Jan. 19th. As one of the early residents of the village of Wyoming she was well known and highly esteemed by a large number of people, being possessed of a gentle and lovable disposition beyond the average. She was born in Georgia, State of Vermont, on Sept. 18th, 1824, and was thus over eighty two years of age at the time of her demise. Her maiden name was Cleopatra Renslow. In 1848 she was married to Mr. Roland Durand and came with him to Wyoming in the year 1866. Mr. Durand died in 1878 and on September 25th, 1882, she was married to Mr. N. Boswell and they then removed to Bridgeton. There they resided for about two years. Returning to Wyoming they built the very spacious and comfortable dwelling at the south end of the village where they have ever since resided. She is survived by a loving husband and three step-children, viz: Mrs. F. Yerkes, of Lorain, Ohio; Mrs. C. McFadden, of on-

**Deafness Cannot Be Cured.**  
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed for ever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.  
We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Sent for particulars free.

**Seven Smallpox Cases in Metcalfe.**  
Strathroy, Jan. 22.—Smallpox has broken out in Metcalfe Township in the home of Duncan McAlpine, near Walker's post office. There are seven cases in the one house, all being down except the father. It is not known how the disease was contracted.  
Dr. Elliot, of Napier, is in charge and is doing his utmost to prevent the spreading of the disease.

**DO YOU FEEL THE PINCH.**  
Not of poverty, but of corns, aching corns, that can be cured by Putnam's Corn Extractor! Don't suffer, use "Putnam's"—sold everywhere in 25c. bottles.

**Old Men Sater.**  
The Stratford Herald prints the following: Some of the railway companies are becoming less stringent in enforcing the age limit as regards their employes. One thing must have struck the public forcibly of late and that is the number of wrecks. It is the belief of many that the old experienced hands, to whom duty has become second nature, are safer in the handling of trains and switches than younger and more venturesome men, and that with the old hands on deck the wrecks would not have been so numerous. Any healthy man is good up to the age of 60, and with his experience is more valuable in responsible positions than a man of 25 or 30.

**Doctors Change Their Methods.**  
Years ago they fought catarrh by internal dosing. They saw this ruined the stomach and changed to the ozonated air cure, better known as "Catarrhozone." This treatment is sure to cure. It goes to the source of the disease; it destroys the causes that maintain catarrh and even in the worst cases permanent cure is guaranteed. Failure with Catarrhozone is impossible. Antiseptic, healing and far reaching, it's bound to cure every time. Endorsed by more than twenty thousand physicians in America alone and sold in 25c and \$1.00 sizes by all dealers.

**The Industrious Cow.**  
Thirty-two million dollars is the contribution of the cows of Canada for this year of grace, made up of \$25,000,000 worth of butter sent out of the country to help feed the artisans of England, and for which they have paid pretty roundly. Of course, this \$25,000,000 is not all, by a good deal. Not all the milk was sent abroad, and we at home have been beholden to the queen of the barnyard for the butter and milk we used as well as for the millions that come in. So all hail to the cow! Long may prosperity attend her!

**Why Chest Colds Are Dangerous.**  
They lead to pleurisy and pneumonia. Follow the advice of W. H. Powles of Powles' Corners, Ont., who says: "I used to be subject to attacks and although I used most everything nothing relieved quickly till I discovered Nerviline. I have just used it for pleurisy and sore chest and found it's quick as lightning. I cheerfully recommend Nerviline." Strongest, cleanest, most pain destroying liniment on earth is Polson's Nerviline, 25c. bottles sold everywhere.

**Don't miss the most popular of all forms of medicine, and of pills the most popular are Parmelee's Vegetable Pills, because they do what it is asserted they can do, and are not put forward, on any fictitious claims to excellence. They are compact and portable, they are easily taken, they do not nauseate nor gripe and they give relief in the most stubborn cases.**

**A NUMBER OF Straits Settlement coins are in circulation, and for the information of the tenderers of these coins it may be said that they are comparatively valueless, as the percentage of silver is so small. The Straits Settlement half-dollar is very similar to the Canadian coin, but is worth only 17 cents. The receiver-general's department as Toronto do not handle it, and hesitate to express any opinion as to its value.**

**CATARRH**  
To prove unquestionably, and beyond any doubt that Catarrh of the nose and throat can be cured, I am furnishing patients through druggists, small free Trial Boxes of Dr. Shoop's Catarrh Cure. I do this because I am so certain, that Dr. Shoop's Catarrh Cure will bring actual substantial help. Nothing certainly is so convincing as a physical test of any article of real, genuine merit. But that article must possess true merit, else the test will condemn, rather than advance it. Dr. Shoop's Catarrh Cure is a snow white, healing antiseptic balm, put up in beautiful nickel capped glass jars at 50c. Such soothing agents as Oil Eucalyptus, Thymol, Menthol, etc. are incorporated into a velvety cream like Petroleum, imported by Dr. Shoop from Europe. If Catarrh of the nose and throat has extended to the stomach, then by all means use internally, Dr. Shoop's Restorative. Stomach distress, a lack of general strength, bloating, belching, biliousness, bad taste, etc. surely call for Dr. Shoop's Restorative.  
For uncomplicated catarrh only of the nose and throat nothing else, however, need be used but
