Reroof with Brantford Asphalt Roofing

Don't let a leaky roof damage the wall paper, carpets or furniture in your home, the crops in your barn or the goods in your store. Tear off the old shingles or other worn out roofing material and put on a lasting roof of Brantford Asphalt Roofing.

This roofing is made of a blend of hard and soft asphalts on a long-fibred felt base. By blending the asphalts a roofing of remarkable elasticity is secured—one that is flexible, durable and capable of resisting all kinds of severe climatic extremes.

Brantford Asphalt Roofing is, in addition, surfaced with silica sand on both sides, which adds to its weight, fire-resistance and durability. You may be offered other sanded roofing, but it will not have the quality of material or weight of saturation of Brantford Asphalt Roofing.

Made in three weights—60 lb., 70 lb., 80 lb. per square.

Brantford Ruober Roofing

is the same quality as Brantford Asphalt, but has a smooth, rubbery surface instead of the sand. It is particularly suitable for verandah decks and floor coverings. Three weights—40 lb., 50 lb., and 60 lb. per square.

Standard Mohawk Roofing

consists of the same grade of materials as Brantford Asphalt Roofing but is lighter in weight—a thoroughly reliable roofing at a low price. Tested for years and has given entire satisfaction. Sanded on one side. One weight—40 lbs. per square.

Mohawk Rubber Roofing

The same quality as Standard Mohawk but with a smooth surface. Used for all classes of temporary work—sheds, bunk-houses, camp sites, even dugouts in the trenches. 35 lb., 45 lb., and 55 lb. weights.

Leatheroid Roofing

Slightly lower quality than Mohawk Rubber. Used for same purposes. 35 lb., 45 lb., and 55 lb. weights. Samples of any of these roofings and prices will be furnished by either the makers or their agents in this locality.

"IT PAYS TO ADVERTISE!"

Quite true. But you must devote as much attention to your advertising as you do to the other phases of your business. If a newspaper were to publish the same news each week you would not expect the people to read it.

—THE SAME WITH YOUR ADVERTISING.

MAY WE HELP YOU?

ARKONA

The Band of Worship of the Baptist Sunday School holds a basket picnic at Rock Glen Saturday afternoon. Supper between six and seven o'clock, to which all the workers, departments and friends of the school are invited. Sunday morning Pastor King will speak on "The Rainbow Light." The Lord's Supper with the band of fellowship to new members at the close. Let it be a full family gathering. Our returned missionary will be with us, and at the evening service this honored leader will be given a public reception.

(Too late for last week.)

KEEP CHILDREN WELL DURING HOT WEATHER

Every mother knows how fatal the hot summer months are to many children. Cholera infantum, diarrhoea, dysentery and stomach troubles are rife at this time and often a precious little life is lost after only a few hours illness. The mother who keeps Baby's Own Tablets in the house feels safe. The occasional use of the Tablets prevents stomach and bowel troubles, or if the trouble comes suddenly—as it generally does—the Tablets will bring the baby safely through. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

School Reports

KERWOOD

Miss Hattie Rogers and Miss Eva Waddell spent the past week visiting friends in Detroit.

Mr. John Hughes, who has been quite ill, we are glad to learn, is improving.

Miss Thelma Brunt spent a week with friends in Port Stanley.

Mrs. Bernard McMahon, Millington, Mich., visited her sister, Mrs. Brandreth.

Mr. Prince, of Norwich, is the guest of Mr. Waddell.

Mrs. McLean, Sarnia, and Mrs. Armstrong, Toronto, visited their father, Mr. John Hughes.

Mr. and Mrs. T. F. Mills returned after spending a couple of weeks in Detroit and other places.

Mrs. Ira Case has returned to Flint, Mich., after spending a few weeks with friends and relatives here.

Miss Mary Clarke, who visited Miss Fern Waddell, returned to Sarnia.

The Misses Dodds, of Watford, were the guests of Miss Freda Richardson last week.

Mr. and Mrs. Ernest Tidball, of Glenoe, spent Sunday with Mr. John Richardson.

Next Sunday sacramental service will be held at Bethesda in the morning; in Kerwood Methodist church in the evening.

Potato Diseases in Lambton

That the potato crop of Lambton has been attacked by a blight is plainly evident to all potato growers. This blight as it is commonly called may be any one of the following potato diseases: Late Blight, Tip Burn, Curly Leaf, Wilt, Black Leg or Mosaic Disease. These diseases have been found in nearly every potato patch visited throughout the county. The cause of the disease may be attributed to several sources, climatic conditions, but more especially to the fact of the decline of the vitality of the seed planted. An effort is being made by the Ontario Department of Agriculture to raise large quantities of seed potatoes in Northern Ontario, where the potatoes are comparatively free from diseases. These potatoes are inspected several times during the season and all diseased plants removed. In this way, quantities of guaranteed seed will be available for distribution.

TREATMENT

Bordeaux Mixture is a preventive against the attacks of many potato diseases. It may be used in conjunction with Paris Green or Lead Arsenate in killing the Colorado Potato Beetles. For best results however, it is necessary to spray early in the season, to do the work thoroughly and to repeat the operation as required until the danger of trouble is past.

BORDEAUX MIXTURE

1. Copper Sulphate (Bluestone) 4 lbs.
2. Unslaked Lime—4 lbs.
3. Water—40 gallons
Paris Green may be added, 1½ to 2 lbs. to one barrel of water. Apply with watering can or sprayer.

Canada

The average Canadian knows nothing of starvation. He has heard of it and he has read about it—but that's the limit. He was born in a country of plenty; he lived all his life in a country of plenty, and like as we cannot realize the meaning of sorrow until it comes to the threshold of our OWN HOME—so with starvation.

Practically every house in Sarnia is visited once a day by the baker's wagon and every housewife knows the inconvenience she suffers if her wagon fails to appear. If she be without a telephone in the house she is obliged to walk to the nearest store and get a loaf. In many countries over the deep the baker's wagon has not called for a long, long time and there are no shops and no money that the people may buy bread.

We are living in a land—like the Canaan of old—a land of "milk and honey." Can we realize even for a passing moment what it must mean to be a citizen of those devastated countries on the face of the globe

HEADACHE LENSES

differ from ordinary lenses, therefore no person can pick out a pair of glasses that will be beneficial in these cases. The eyes should be carefully examined to locate the eye stain, and the lenses

ACCURATELY
GROUND

No person should suffer with eye headaches when we are ready and willing to do all we possibly can to relieve with perfectly fitted glasses. Our optical business is on the increase day by day. We give a service hard to equal.

Clerk's Notice of First Posting of Voters' List

TOWNSHIP OF WARWICK

Notice is hereby given that I have transmitted or delivered to the persons mentioned in Section 9 of the Ontario Voters' Lists Act, the copies required by said Act to be transmitted or delivered of the said list, made pursuant to said Act, of all persons appearing on the last revised Assessment Roll of the said municipality to be entitled to vote in the said municipality at Elections for Members of the Legislative Assembly and at Municipal Elections; and that the said list was first posted up in my office at Warwick, on the 31st day of July, 1918, and remains there for inspection.

And I hereby call upon all voters to take immediate proceeding to have any errors or omissions corrected according to law.

Dated this 31st day of July, 1918.

N. HERBERT,
Clerk of Warwick.

2-3

to-day? No we cannot. Let us thank God that He has cast our lot in Canada and beneath the British flag. We are citizens of a great democracy—the greatest veritable garden on the earth.

And yet there are some who grumble.—Sarnia Canadian Observer

New Provincial Dog Tax

A new provincial dog tax has been passed by the Ontario Legislature which will put the ban on some of the surplus supply of mongrel canines in Watford, in the form of doubling up the dog tax. In future a dog owner must pay \$2 annually for one dog and \$4 for each additional or \$5 for each bitch and \$6 for each additional. Other clauses provide that any person may kill any dog which is found pursuing, worrying or wounding sheep, or any dog which is found straying between sunset and sunrise from the premises on which such dog is habitually kept.

The Allies Forcing Ahead

The last battle of the Marne is still in progress. The Germans have been not only repulsed, but forced to withdraw practically to a line drawn from Soissons to Rheims where they will probably hold for the present. The immediate result is to put Paris out of danger. A further result of greater importance cannot fail to be to convince not only the Germans, but all the other belligerent people that the war is not to be brought to an end this year, but by diplomatic negotiation. The Kaiser has apparently been obliged to take the step to quiet the alarms or the discontent of his vassals.

Flight Lieut. Edward Bullen, of Petrolia, is reported missing since Sunday last. He had been in an air squadron dropping bombs on the German lines, and failed to return.

Dr. J. F. Alexander D. D. S., passed away suddenly at his parent's residence, Strathroy, on Tuesday of last week. He was 38 years old and graduated from the Detroit College of Dentistry 15 years ago. His health failing he went south but returned two weeks before he died.
