Canadian Live-Stock and Farm Journal.

THERE have been few more marked successes in journalism than have been achieved by the CANADIAN LIVE-STOCK AND FARM JOURNAL, of Hamilton, Ont. Though devoted especially to stock raising, it includes The Farm, The Dairy, The Apiary, Poultry, Horticulture and The Home, so that for the general farmer, or such farmers as make live-stock breeding in any of its departments a leading feature of their business, we do not know where to find its equal in Canada. We hearily recommend it to our patrons as the leading agricultural paper in the Dominon. Price \$1.00 per annum. A beautiful lithograph of the Ontario Agricultural College and Experimental Farm, Guelph, is given to every subscriber for 1889. We can furnish it and our own paper together from now to December, 1889, for \$1.75. Call at our office and see sample copy, also lithograph.
