

In Vancouver the Gerhard Heintzman Piano is held in highest esteem. In Halifax it has been the favorite piano for generations. Throughout Canada, from coast to coast, it has won a warm place in the nation's affections.

Gerhard Heintzman Pianos to-day are representative of the old ideals of honesty, integrity and craftsmanship that are responsible for the world's masterpieces.

They are built with all the skill and tone-producing ideas that come of our half-century's experience.

The Gerhard Heintzman is "Canada's greatest Piano."
