

THE CHURCH UNION.

THIS paper has been recently enlarged to mammoth proportions. It is the largest religious paper in the world. Is the leading organ of the Union Movement, and opposes ritualism, close communion, exclusiveness and church caste. It is the only paper that publishes HENRY WARD BEECHER'S Sermons, which it does every week, just as they are delivered, - without qualification or correction by him. It advocates universal suffrage; a union of christians at the polls; and the rights of labor. It has the best Agricultural Department of any paper in the world; publishes stories for the family, and for the destruction of social evils. Its editorial management is impersonal; its writers and editors are from every branch of the church, and from every grade of society. It has been aptly termed the freest organ of thought in the world.

Such a paper, offering premiums of Sewing Machines, Dictionaries, Appleton's Cyclopaedia, Pianos, Organs for Churches, etc., makes one of the best papers for canvassers in the world.

Every Congregation may obtain a Communion Service, an Organ, a Melodeon, a Bible, or a Life Insurance Policy for its Pastor, or almost any other needful thing, by a club of subscribers.

The Merchants' Protective Union

MERCANTILE REFERENCE REGISTER.

THE Merchants' Protective Union, organized to promote and protect trade, by enabling its subscribers to attain facility and safety in the granting of credits, and the recovery of claims at all points, have to announce that they will, in September, 1868, published in one large quarto volume, "The Merchants' Protective Union Mercantile Reference Register," containing among other things, the names, nature of business, amount of capital, financial standing, and rating as to credit, of over 400,000 of the principal merchants, traders, bankers, manufacturers and public companies, in more than 30,000 of the cities, towns, villages and settlements throughout the United States, their territories, and the British Provinces of North America, and embracing the most important information attainable and necessary to enable the merchant to ascertain at a glance the Capital, Charter, and Degree of Credit of such of his customers as are deemed worthy of any gradation of credit, also a "Newspaper Directory," containing the title, character, price, and place of publication, with full particulars relative to each journal, being a complete guide to the press of every county in the United States.

The reports and information will be confined to those deemed worthy of some line of credit; and as the same will be based, so far as practicable, upon the written statements of the parties themselves, revised and corrected by well-known and reliable legal correspondents, whose character will prove a guarantee of the correctness of the information furnished by them, it is believed that the reports will prove more truthful and complete and therefore, superior to, and of much greater value than any previously issued.

By the aid of the "Mercantile Reference Register," business men will be able to ascertain, at a glance, the capital and gradation of credit, as compared with financial work, of nearly every merchant, trader, and banker, within the above named territorial limits.

On or about the first of each month, subscribers will also receive the "Monthly Chronicle," containing, among other things, a record of such important changes in the name and condition of firms throughout the country as may occur subsequent to the publication of each half year volume of the "Mercantile Reference Register."

Price of the "Merchants' Union Mercantile Reference Register," \$50, for which it will be forwarded to any address in the United States, transportation paid.

Holders of five \$10 shares of the Capital Stock, in addition to participating in the profits, will receive one copy of the "Mercantile Reference Register" free of charge; holders of ten shares will be entitled to two copies, and no more than ten shares of the Capital Stock will be allotted to any one applicant.

All remittances, orders, or communications relative to the book should be addressed to the Merchants' Protective Union, in the American Exchange Bank Building, No. 128 Broadway [Box 2,566,] New-York. August 19th 1868.
