

Two Minute Talks About

PANDORA RANGE

for Coal or Wood

THE Pandora is the range of many conveniences. It has a *special Flue Construction* which enables you to cook over every pot hole and bake in the oven at the same time. It has a *Steel Oven* which reaches baking heat faster than a cast iron oven. It has an absolutely *Level Oven Bottom* which prevents pies from running over. It has a tested, reliable *Thermometer* with easy-to-read figures.

The Pandora also has an *Interchangeable Cooking Top*. You can set a boiler lengthwise or crosswise on the stove. You can remove the *Fire Box Linings* instantly with your hands. You can change the *Grates* from coal to wood in a few seconds. You can sharpen your knives on the *Emery Section* of the *Patented Towel Bar*.

Still other conveniences are the *Larger Ash Pan*—the easily-cleaned *Enamelled Steel Reservoir*—the smooth as glass *Burnished Surface* which only requires polishing once a week—the *Perfect Spring High Closet Door* which provides room for fourteen more dinner or dessert plates in the *Polished Steel Warming Closet*.

Several other conveniences described in our Pandora Booklet. Send for a copy.
