

LUX

BLANKETS are luxuriously clean, soft and fleecy when washed with LUX. Every housewife knows that blankets are very liable to shrink in the wash and become hard and thick. LUX is the ideal preparation for washing blankets, all woollen things, fine laces, etc., because it cannot shrink them.

LUX is the economical cleanser—it dissolves readily in hot water—makes a foamy, cream-like lather which coaxes rather than forces the dirt out of clothes.

Out of the Way

IF "Old Mother Hubbard" went to the cupboard to-day, she would be apt to find a "Peerless" Folding Table tucked away behind the coats and wraps. Because, in most families, this modern convenience has become a positive necessity. To own a

PEERLESS
FOLDING TABLE

is to know what real convenience means. The legs fold flat against the underside when not in use, and it takes up no more room than a child's hoop. It may be set up instantly, anywhere, and is strong enough to support half a ton. Your Furniture Dealer has it, or will get it for you. Ask him.
