

Warner's Safe Cure!

has been before the public now about ten years, and in that time has PROVED ITSELF TO BE ALL THAT IT HAS BEEN REPRESENTED.

IT IS PURELY VEGETABLE, contains nothing harmful, and DOES PURIFY THE BLOOD AND CURE DISEASE, as it puts the kidneys, THE ONLY BLOOD-PURIFYING ORGANS in complete health.

IT CURES PERMANENTLY. We have tens of thousands of testimonials to this effect from people who were CURED YEARS AGO and who are well TO-DAY.

IT IS A SCIENTIFIC SPECIFIC, was not put upon the market until thoroughly tested, and has the endorsement of Prof. S. A. Lattimore, M.A., Ph., LL.D., Official Analyst of Foods and Medicines, N. Y. State Board of Health, and scores of eminent chemists, physicians and professional experts.

H. H. Warner & Co. DO NOT CURE EVERYTHING FROM ONE BOTTLE, they having a specific for each important disease. FIGHT SHY of any preparation which claims infallibility.

The testimonials printed by H. H. Warner & Co. are, so far as they know, POSITIVELY GENUINE. For the last five years they have had a standing offer of \$5,000 for proof to the contrary. If you are sick and WANT TO GET WELL, use

THE HIGH SCHOOL

Drawing Course.

Authorized by the Minister of Education.

No. 5 "Industrial Design" IS NOW READY.

This subject, Industrial Design, is now or the first time placed in the High School Drawing Course; and this authorized book is the one upon which the examinations will be based. It is the most elaborate and beautiful book of the course, and if published separately would sell at double the price of the other numbers. It will, however, be offered to the student at the same price as the others, 20cts. The course is now complete:—

No. 1—Freehand.

No. 2—Practical Geometry.

No. 3—Linear Perspective.

No. 4—Object Drawing.

No. 5—Industrial Design.

These books are all uniform in size and style, and constitute a complete uniform series. The same plan is followed through them all—the Text, the Problems, and opposite the Problems, in each case, the Exercises based upon them. The illustration is upon the same page with its own matter, and with the exercise, in every case, is a space for the student's work. Each copy, therefore, is a complete Text-book on its subject, and a Drawing Book as well, the paper on which the books are printed being first-class drawing paper. The student using these books, therefore, is not obliged to purchase and take care of a drawing book also. Moreover, Nos. 1, 4 and 5 are the only books on their subjects authorized by the Department. Therefore, if the student buys the full series, he will have a uniform, and not a mixed series covering the whole subjects of the examinations, and edited by Mr. Arthur J. Reading, one of the best authorities in these subjects in this country and recently Master in the School of Art.

The approaching Examinations will be based on these authorized books. The Retail Trade may place their orders with their Toronto Wholesale Dealers.

"Public School Temperance."

The attention of teachers is respectfully called to this new work, designed for use in the Public Schools. It is placed on the programme of studies under the new regulations, and is authorized by the Minister. It will be used in three forms. The object of the book is to impart to our youth information concerning the properties and effects of alcohol, with a view to impressing them with the danger and the needlessness of its use.

The author of the work is the celebrated Dr. Richardson, of England; and, this book, though somewhat less bulky, being printed in smaller type, contains the whole of the matter of the English edition, slightly rearranged, as to some of the chapters to suit the requirements of our Public School work. It is, however, but half the price of the English edition.

The subject is treated in a strictly scientific manner, the celebrated author, than whom there is no better authority on this subject, using the researches of a lifetime in setting forth the facts of which the book discourses. At the same time the style is exceedingly simple; the lessons are short and accompanied by appropriate questions, and the language is adapted to the comprehension of all who may be required to use the book. Price 25 cents, at all bookstores.
