Mercantile Summary.

JOHN BANNERMAN, boiler-maker, Ot-
tawa, late of the firm of Bannerman &
Findlater, is seeking a compromise at
25 cents on the dollar.

"We are officially informed," says the
Railway and Shipping World, "that the
C.P.R. has decided on expenditures on its
terminals at Winnipeg which will aggre-
gate about \$850,000. At present the tracks
at the station are laid on Point Douglas
avenue, which is owned by the city, so
that it is impossible to close them in, and
there is not sufficient track accommodation
for the business, there being but two main
tracks and two sidings. The present sta-
tion building will be taken down and a
number of tracks laid on its site, the whole
to be covered in by a train shed. Immed-
iately south again will be reared a mag-
nificent hotel structure which will far
eclipse the Manitoba hotel destroyed by
fire last winter, and will have rooms for
250 guests. The western front of the hotel
will be on Main street and the south front
on Fonseca street, along which it will run
some 300 feet."
