

October 7, 1992

*Annex 1001.2a*

agreed solutions. Such solutions may include, when appropriate, temporary adjustment to the obligations of Mexico under this Chapter, such as those related to reporting requirements.

10. Canada and the United States shall cooperate with Mexico to provide technical assistance, as appropriate and mutually agreed pursuant to Article 1020 (Technical Cooperation), to aid Mexico's transition.

11. Nothing in paragraphs 8 through 10 shall be construed to excuse compliance with the obligations of this Chapter.

Note: The General Notes for Mexico set out in Annex 1001.2b apply to this Annex.
