

*Questions*

2. The schools listed on the attached table shown as "hostel" provide residential services only.

3. The matter is being considered.

4. Members of the staffs at the residential schools apart from teachers are employees of

the church denominations. Funds, however, have been provided by the federal government to pay a \$1.25 minimum to each employee and the principals have been advised that this minimum must, without exception, be met.
