⁽¹⁾ Based on Revised Estimates for 1968-69.

⁽²⁾ Equalization attributable to post-secondary fiscal transfer is excluded.

⁽³⁾ Old Age Assistance, Blind Persons' Allowances, Disabled Persons' Allowances, and Unemployment Assistance.

⁽⁶⁾ Includes \$1,500(000) for the Yukon and Northwest Territories.

⁽⁷⁾ The total figure includes \$75(000) for the Yukon and Northwest Territories as well as \$2,888(000) to be allocated to the Atlantic Provinces together. This amount is not included in the provincial breakdown.

⁽⁸⁾ Includes \$4,993(000) not allocated to specific provinces, as well as \$153(000) for the Yukon and Northwest Territories. Excludes an estimated amount of \$933(000) required for commitments to fall due during the current fiscal year.

The provincial breakdown is also on this basis.

⁽¹⁰⁾ Includes tax abatement, associated equalization, and cash adjustment payments. Both the total and estimates for individual provinces are based on Department of Finance estimates of the value of the tax transfer and associated equalization together with forecasts of cash adjustment payments made by the Secretary of State Department.

NOTE: All figures may not add up exactly to totals due to rounding off. Also, as noted above, totals may include figures for the Yukon and Northwest Territories and various amounts which cannot be broken down by province.
