

have sung to the end,
I'm a real old sodger
That's not what I am,
and I won't be reconstructed
& I don't care a d—n,
oh well it will be all the same
in a hundred years,
The chances are we will find
ourselves where most men go
I sincerely hope our lot will
be with the soldiers, God
bless'em,

I am ~~in~~ with all
good wishes.

yours sincerely
