Dear Sir:-

At the Wembley  
Exposition at London, England,  
I believe there is a booth called  
the "University Booth" in charge  
of a man named R. E. Knowles.

I would like to  
know if this booth was under the  
patronage of your University and  
if you are responsible for accounts  
charged against that booth.

Thanking you in  
anticipation of the requested inform-  
ation, I remain,

Yours truly,

EFW/BO
