Principal Sir Arthur Currie,  
McGill University,  
M o n t r e a l.

Dear Sir Arthur:-

The Canadian Teachers' Federation meets in Montreal this year in the first week of August. This Association has delegates from each of the provinces, and there will be about thirty official delegates; probably also fourteen delegates who will not have votes.

The three delegates from Quebec are Principal Howe of Westmount High School, Miss Mabel Fraser, Quebec, and myself. We also form a committee to make arrangements for the meeting, which was held last year in Saskatoon, and the year before in Toronto. Naturally, we are anxious to make a good impression on the other provinces and are therefore planning a visit to Macdonald College, Montreal harbour, and other points of interest to teachers from Western Canada.

The present purpose of this letter is to ask you on behalf of the Federation if you would be willing to grant the use of the Medical Faculty Room for this meeting, or if necessary, a class room, if the meeting should find it necessary to have more space. We would also like to know if it would be possible for the official delegates to visit the University as a whole at some time during their Conference.

I took the liberty of telling my fellow delegates that I was sure the University would do all in its power to help a Dominion wide Conference of Canadian teachers.

Yours faithfully,

Dean, School for Teachers.
