Hamilton Gault's Corps Will Be Real Fighting Unit.

Toronto made a good start yesterday toward filling up the ranks of the new regiment that is being formed thru the public spiritedness of Hamilton Gault, a Montreal man. The Princess Patricia's Light Infantry, to judge from the class of men who were accepted, will be one of the crack regiments that the empire will put into the field. Eighty-seven men passed the rigorous medical examination, two doctors being kept busy all day. Many of the men who applied are veterans; all of necessity had been serving in some part of the empire. The regiment will not invade the field of any other military organization; it is accepting only men who are unattached at the present time.

This city is to supply 400 men out of the 1200 that will form the regiment and enlisting will go on until the Toronto total is reached, from nine in the morning to ten at night, at 304 Kent building.

HAMILTON FOREMEN GUARD EXPLOSIVES

Mayor Issues Instructions to Prevent Thefts of Dynamite.

WATCH WATERWORKS

Company of Army Service Corps Will Go to Front as Unit.

By a Staff Reporter. HAMILTON, Aug. 11.—Because dynamite has been found in the possession of Germans and Austrians in various places throughout Canada, Mayor Allan yesterday issued instructions to all city foremen, contractors, quarry owners and others having access to watch out for any kind of dynamite, to keep it locked up so that any evil-disposed person living here could not secure it and cause some possible catastrophe. "It is hard to say at a time like the present what some over-zealous person might be led to do, and I trust that all persons having occasion to use explosives will be especially careful in not allowing them to remain exposed or to be placed where they may be easily secured," stated his warning.

C. A. S. C. Goes as Unit. No. 8 Company Canadian Army Service Corps of this city has been ordered to mobilize to war strength and will be taken to the front as a unit. This is the only local company that will be taken as a unit, and already every member has volunteered. It is expected that about 120 men will be taken along. The corps will be in charge of Major H. Lees Beckwith.

To Protect Waterworks. It is expected that immediate action will be taken to protect the local water supply from any interference by Germans or Austrians. This step is being taken at the instigation of Willoughby Ellis, chairman of the hydro-electric board.

Asks Citizens to Be Civil. Mayor Allan asked yesterday that citizens refrain from saying or doing things which might hurt the feelings of Germans or Austrians here. This action was caused as the result of one German woman being insulted on the streets by a crowd of disorderly youths.

Asks Austrians to Be Quiet. Anthony Yorish, court interpreter, this morning received communication from the Austrian consul-general at Montreal, which was in the nature of a plea to all Austrians and Hungarians residing here to continue to be peaceful and law-abiding citizens, because of the present war, in which their country is engaged. The Austrians and Hungarians are also asked not to make any effort to return to their country to engage in fighting.

MARITIME PROVINCE AND QUEBEC SUMMER RESORTS. 1914 Shows Marked Increase in Appreciation.

Eastern Canada—the provinces by the sea—and a glorious summer-country, is meeting with more and more appreciation; the 1914 season thus far, has shown marked advancement in the number of summer visitors seeking rest and recreation in this country, where the scenery is at times of pastoral simplicity and at times of sublime grandeur, with innumerable sandy beaches, lordly rivers, landlocked havens, broad expanses of ocean, and a climate unmatched in any part of Canada.

On August 14, 15, 16, 17, the government railways to such well-known resorts as Murray Bay, Cacouna, Metis Beach, Matapedia, the Baie des Chaleurs, north shore of New Brunswick, the Strait of Northumberland, Prince Edward Island, Halifax, the Annapolis Valley, the Bay of Fundy, Nova Scotia's Atlantic coast, Cape Breton and the beautiful Bras d'Or Lakes, the Sydneys and Newfound-land. The tickets are good for return travel, and are available September 1, 1914.

With the excellent train service from Bonaventure Union Depot, Montreal, by the Maritime Express and Ocean Limited to St. John and Halifax, making close connection for all points in the Maritime Provinces, and the additional express, the St. Lawrence Special, to the lower St. Lawrence resorts, a big business is anticipated. 234
