

APPENDIX I.

TRINITY COLLEGE, TORONTO.

CIRCULAR OF DR. McMURRAY'S COMMITTEE.

The Rev. Dr. McMURRAY, at the request of the Bishop, and as the Representative of Trinity College, Toronto, has come to England to make an Appeal for £8,000 sterling (£10,000 Provincial currency), on behalf of that Institution.

When the aged Bishop of Toronto was in England in 1850, some of his friends formed themselves into a Committee for the purpose of raising a fund towards the permanent endowment of this College, which he is still pleased to call the child of his old age.

Of those who then rallied round the Bishop, only eight remain.

We, the survivors, at the Bishop's special request, willingly come forward to assist Dr. McMURRAY in his endeavours, and would again commend to the Christian sympathy of the Church of England the justice and importance of this appeal.

The money raised on the former occasion has been expended in the purchase of a portion of the site, and in the erection of the present buildings.

The land given by way of endowment is still in a wild and uncultivated state. But a considerable revenue may hereafter accrue from the sale of the lands, if by an improvement in its finances the present drain upon the capital of the institution can be checked.

The deficit last year was £560. It is hoped, therefore, that £8,000 sterling would place the College at once on a sound and permanent basis.
