NO SHAKE-UP IN TARIFF**

OTTAWA, March 12—(Special.)—The first budget of the new government will be brought down by Mr. W. White, minister of finance, to-morrow afternoon at 3.30 p.m. The Manitoba boundaries debate is completed.

It will be an auspicious budget for the new finance minister and the new government, for it is understood Mr. White will be able to announce the largest surplus in the history of Canada.

As previously stated in The World it is understood the surplus will be about \$5,000,000. Mr. White will have an optimistic story to tell of bounding revenues and expanding business with a bright forecast for the coming year.

Leaves Tariff Alone.
It is understood that the budget will be very short and will contain no important tariff announcement. There will be changes of moment until after the new tariff commission, which will be appointed very shortly, holds investigation.

While no official statement will be made until Mr. White takes the floor to-morrow, and cabinet ministers will neither deny nor affirm it is the general impression in conservative circles to-night that the steel bonuses will not be renewed.

**Ideal Protection Against
Inroads of Catarrh**

By Breathing the Rich, Balsamic Vapor of Catarrhoxone You Prevent and Cure All Head, Nose and Throat Disease.

Remember this: You don't take drugs when using Catarrhoxone; you simply inhale a healing vapor that cures every type of catarrh, bronchitis, asthma, throat and nose soreness and irritation.

No medicine brings such prompt relief, exerts such an invigorating influence, or so thoroughly and speedily cures throat troubles as "Catarrhoxone." Doctors, hospitals, sanitariums, all say that for those who suffer from changeable weather, for those who are predisposed to catarrh, lung trouble, deafness or bronchitis, no treatment is so indispensable as "Catarrhoxone."

Victim of Chronic Catarrh Cured.
I contracted a severe cold while following my occupation of furniture traveling, and eventually it developed into Catarrh. The desultory mode of life I was following gave me very little chance to attend to the Catarrh condition, and at last I became a victim of Chronic Catarrh. I bought a large package of Catarrhoxone, used it as per directions, and have never been bothered since. I will be only too glad to give any information I possess to any person suffering from the disease that was the bane of my life two years.
