Wholesale Get-Away of Inmates of Industrial School ticularly himself.

had not returned at a late hour last night. It is believed that he has crossed the border. His mother lives in Lewisburg, Ohio. Fletcher waited three weeks for an opportunity to escape. At 7.30 Wednesday he was given the chance. He was instructed to do some house work in a Mimico residence, but was made public.

Was a kindly man. He said that the boys were almost compelled to sign the petition or manifesto, and a reference to some guards being abusive was erased by the officials themselves, thru which the petition had to pass before it was made public.

"We got out a petition to help out house work in a Mimico residence, but it. The original petition said: We like some of the officers and some we

Then Fletcher told of some of the treatment he had received in the institution. He said that ill-treatment was seen by a World reporter on Wednesday afternoon. He said that he would never go back and that the authorities would have to "go some" to catch him. Ever since the investigation into conditions at the institutions, which was brought about by the officials, and in some investigation into conditions at the institutions, which was brought about by the officials and in some investigation into conditions at the institutions, which was brought about by the officials, and anything derogatory to the school system was eliminated from them, and in some cases boys were thrashed for attempting to send complaints to the outside world.

Then Fletcher told of some of the treatment the had received in the institution. He said that ill-treatment was a common thing about the boys, but their fips were sealed. All letters to the outside world were sealed by the officials, and anything derogatory to the school system was eliminated from them, and in some cases boys were thrashed for attempting to the outside world.

Then Fletcher told of some of the institution. He said that ill-treatment was a common thing about the boys, but their fips were sealed. All letters and in the playgrounds.

"Guard Fursman called us boys dogs and pups. At the school there are one or two guards that you would call gentlemen, but the others are just to send complaints to the outside world.

During Past Few Weeks—

He was placed in Mimico four and a half years ago for stealing a number of watches in East Toronto. He said his term was supposed to have been three years, but he was kept over that time because of the guards who abused him. Fletcher is bright and intelligent as any lad his age, and is a shoemaker by trade.

stitutions, which was brought about by an exposure in The World, the boy had waited his chance to get free so that he could describe what he declared was ill-treatment to the inmates, particularly himself.

Thrashed and Choked

Fletcher said: "Guard Fursman, the farm boss, thrashed and choked me until I was blue in the face for a trivial offence about two years ago. He also treated in the same way Jehn Schuter, of Hamilton, and Alfred Beas and I told him if he didn't watch out by Guard Morrison, and was asked to tell the name of the boy who had thrown the snow ball. But I wouldn't. He knocked me about for not 'squeelling. The investigation was then on and I told him if he didn't watch out by Guard Morrison, and was asked to tell the name of the boy who had thrown the snow ball. But I wouldn't. He knocked me about for not 'squeelling. The investigation was then on and I told him if he didn't watch out by Guard Morrison, and was asked to tell the name of the boy who had the was ill-treatment to the inmates, particularly himself.

nothing and walked out.
"Guard Gould thrashed me five times. about two years ago for little things.

always stripped. Bound Hand and Foot.

"Guard Parker three years ago bound my hands and feet with bracelets af-ter he had dragged me into his room. of Croup and then he picked up a bed slat and pounded me all over. I was so bruised that two boys had to carry me to my bed. While I was playing I accident ally hit a boy. That's why Parker so ill-treated me.

"Four years ago Guard Morris struck me several times with a chair leg. Another fellow had broken a chair, and I was trying to put it together. When Morris came in he thought that I had

DOTTAWA, April 12.—(Special.)—The board of railway commissioners has appointed four additional locomotive in
spectors, whose duty it will be at centre points to examine the engines before they proceed on a journey. The following have been appointed and appointed and appointed four additional locomotive in

Weak People, Wake Up!

IT CURES NERVOUS MEN.

CURES NERVOUS WOMEN. CURES STOMACH TROUBLE. Dr. McLaughlin's Electric Belt has res-

cued thousands of men and women during the past year. Have you not heard your neighbors speak of it? There is not a town or hamlet in the country in which

Dr. McLaughlin's Electric Belt

has not restored health to someone. Write me. I will send you the names of some of

those who are anxious to let anyone know just what my Belt has done for them-not that they wish to make themselves known, only, out of gratitude for what I had done for them, they are willing to share their knowledge with you. I believe that the best argument which can be afforded in praise of a curative remedy is the word of those who have tried it and who say: "It cured me."

Mr. James J. Gannon, Whitney, Ont., says:—"I would have written sooner, but was waiting to see what would do. I have got good results from it for my general weakness, as I feel stronger and can rest better I have not been bothered with my back since I commenced the use of the Belt. I have never regretted get Belt, I assure you, and I will recommend your treatment to my friends and other sufferers."

The Dr. McLaughlin Electric Belt is a cure for all signs of breakdown in men and women, The vitality of the body is Electricity—the force in the nerve cells. My Electric Belt will give you back this power, and enable you to fight on in the battle of life. Now, if you suffer, do not lay this aside and say you will try it later. Act to-day-Now.
