A WORD ABOUT STRAWS

We've Anticipated the Summer Man's Idea of Fashion and Style in These Straws. In
the Display You Will Find Many Other Good Values in Panamas at
\$4.50, \$5.00 and \$5.50, Having Black or Puggaree Bands

And are, therefore, opening the season today with a stock more complete in every way than ever before. When one considers the
increased difficulties of obtaining raw materials and the increased cost of labor, the extraordinary features of this showing will at once become
apparent. Our Panama stock, guaranteed genuine, is made absolutely clean and flawless, in a very even and strong weave. The straw
boaters are of that ever-popular type, and offer better values even than last year.

This is a very fine grade
Panama, and worthy of the
attention of those who like a
simple shape. The well-
preserved, middle-aged or elderly
man will want this style. It
is a round hat, in half tele-
scope style. Price, today, \$12.00.

This is an exceptionally
smart hat, with crease crown
of medium height, brim with
just a slight flare; also the
same block with welted edge
brim; both have black bands.
Price, \$8.00.

This sailor is certain to be
a great favorite. It has a 3 1/2-
inch crown, and flat brim; with
welted edge. This is a very light
clean and dressy hat, and will ap-
pear to the particular dresser.
Price, \$6.00.

These Japanese Toyo Hats are of
pure white color; have crease crowns and
well edged brims. These are light weight,
cool and comfortable, and come in four
different styles: a round sailor, slightly
telescoped, with a pencil brim; a crease-
crowned one with flaring brim, welt edged;
a crease crowned hat with straight welted
brim; and a smaller model of the crease
crowned with flaring brim. Price, \$3.25,
\$7.00.

The big man, the jolly, good-
natured fellow, will like this rather
large block, with crease crown and
full rolling brim, trimmed with a
puggaree band. There is also a
smaller block, with welt edge and
black or colored band. Price,
\$7.00.

An English-made Boater, of
sennit straw, is, perhaps, the
most popular type of hat for sum-
mer wear. The ones shown in
this display come in different
heights and brims, with a com-
fortable fitting sweatband. This
is an excellent value. Price, \$3.50.

The New Comforts Depot
is on the Second Floor at the head
of the Albert Street stairs, where
you'll find a splendid array of es-
table and wearables for sending
overseas—suggestions galore for
making up tempting boxes; also
all necessary information regard-
ing postage, shipping, etc.

The Escalators at
Yonge Street
Are rarely crowded, and will
take you quickly and comfort-
ably from the Main to the Third
Floor. Along the east wall
of the Store, they are conven-
ient to both Yonge Street en-
trances.

PEOPLE MASSACRED
AS TURKS ADVANCE

Bolsheviki Telegraph Protest to
German Government Against
Atrocities in Caucasus.
VIOLATION OF PEACE
Enemy Had Left Inhabitants of
Armenia Right to Control
Own Destiny.

London, May 20.—The Russian com-
missioner for foreign affairs, it was
made known today, sent the following
wireless message on April 12 to the
German foreign office:
"In the Turkish advance on the
Caucasus the peaceful population, in-
cluding women and children, is being
cut down ruthlessly by the thousands.
The treaty we were forced to sign at
Treat-Litovsk provided that the popu-
lations at Ardahan, Kara and Batum
should have full freedom and the right
to control their destiny in their own
way. The events in these regions
show that the policy of extermination
which has been followed for the past
ten years, is still being pursued.
"Responsibility for atrocities among
the Armenian people in the regions at
present occupied by Turkey devolves

LARGE SUM ASKED
IN SUPPLEMENTARIES

Includes Thirty-Seven Million to
Cover Government Railway
Expenses.
AID TO CIVIL SERVANTS
Three Million to Assist Govern-
ment Employees in the Out-
side Service.

Ottawa, May 20.—Hon. A. K. Mac-
lean, acting minister of finance, in
the commons this morning tabled sup-
plementary estimates totaling \$46,
957,312. The total is an unusually
large one, because it includes a vote
of \$27,000,000 to cover the working ex-
penses of the Canadian Government
Railways. This large item is almost
invariably included in the main es-
timates brought down earlier in the
session. Of the amount asked for
only \$5,170,312 is chargeable to cap-
ital expenditure. The vote of most
general interest is one providing the
sum of \$3,000,000 to assist govern-
ment employees in the outside service
who are in receipt of small or com-
paratively small salaries. Provision
is made for temporary assistance
(except in the case of lighthouse

EX-PREMIER CAILLAUX
WANTS SPEEDY TRIAL

Paris, May 20.—Ex-Premier Caillaux,
who is now in prison awaiting trial by
court-martial on a charge of treason,
has sent an open letter to the attorney
prosecuting against the delay in bringing
his case to trial. He argues that the
prosecution has had more than sufficient
time to conclude its investigation, and
he demands that he be brought before
the court-martial at once or be released.
The ex-premier says:
"The imbecility of the so-called revela-
tions of a man while under death
sentence has been established. I have
been a prisoner four months. I don't
complain. I merely state the facts."
This is the first time the officially pub-
lished Bolo Pasha's eleven-hour revela-
tion has been referred to in any way
by M. Caillaux. The government has
refrained from mentioning the names of
persons whom Bolo Pasha attempted to
incriminate before he was executed.

TWELVE-MILE ADVANCE
BY ALLIES IN ALBANIA

Paris, May 20.—The war office reports
in part as follows:
"West of Korits, between the upper
valleys of the Dravos and Osum Rivers,
French and Italian troops on May 15, 16
and 17 carried out with full success a
series of operations for the purpose of
reducing a very pronounced salient
formed by positions occupied by the
enemy in this region, and of establishing
the allied line in more advantageous
positions in the localities of Protopapa and
Cereveda. They attained all their ob-
jectives. The advance of our troops in
the centre reached 20 kilometres (12 1/2
miles).

BRITISH ADVANCE HAS
BIG EFFECT ON PERSIA

New York, May 20.—Epidemics of
typhus and typhoid and famine still
follow in the wake of war in north-
western Persia, according to a cable
message from Tabriz, Persia, dated
May 14, to the American committee
for Armenian and Syrian relief. The
British advance, however, is having a
"good effect."
The message also reports the occupa-
tion of the City of Urumia by the
Assyrians, the occupation of Salmas
by Assyrians and Armenians, and the
destruction of Dilman.

DELAY IS FEARED
IN PLANTING CORN

Unsettled, Cooler Weather
Has Bullish Effect on
Chicago Market.
Chicago, May 20.—Years of dangerous
delays in planting did a good deal today
to advance the value of corn. Prices
closed strong at the same as Saturday's
finish to 2 1/2c higher, with May \$1.37 1/2
and \$1.27 1/2, and July \$1.43 1/2 and \$1.45 1/2.
Oats gained 1 1/2c and 1 1/2c to 3 1/2c net.
In provisions the outcome varied from
10c decline to 30c advance.
Unsettled, cooler weather, adverse to
rapid planting, tended decidedly to dis-
courage selling of corn. In this con-
nection, it was said much seedling might
be postponed several days, and there
was talk that replanting was necessary
in some important sections. Bullish
sentiment was further augmented by the
percentage of damaged corn in current
arrivals and by doubts, therefore, as
to whether a liberal amount of contract
grade would be available for June and
July delivery. A decrease in the visible
supply total kept the market on the up-
sant as the season came to an end.
Gossip of a revival of export inquiry
helped to lift the oats market. Conges-
tion of the May option was an additional
lightening factor.
Big exports of meats gave strength
to provisions, and, too, did higher
quotations on hogs. The consequent
advance, however, brought out realising
and led to a reaction.

AMERICAN SHOT DOWN.
Big German Triplane Kills Major Raoul
Lufbery.

With the American Army in France,
May 20.—Major Raoul Lufbery, who had
been regarded as the best aviator in the
American Air Service, was shot down
in flames and killed this morning by a
big German triplane which he was at-
tacking. Lufbery jumped from his flam-
ing machine when 800 yards above the
ground. He had seventeen victories to
his credit.

SINN FEIN DEMONSTRATION.
May Kill Leaders, But Cannot Kill Party,
According to Banner.

Dublin, May 19.—A Sinn Fein demon-
stration today at Coochill, East Cavan,
was attended by 6000 persons. Among
the speakers were two priests. The Sinn
Feiners bore a banner inscribed "They
may kill our leaders, but they cannot
kill the Sinn Fein."
