It will be remembered that Mr. McCluskey, who was a very efficient officer, died during his term of service, from the effects of a severe cold contracted during the performance of his duties, and the subscription was the outcome of a suggestion by Mr. Hunter, who, declining to accept a banquet from the enumerators, advised that the money which would be required for that purpose be devoted to the benefit of the widow and children of Mr. McCluskey. Mrs. McCluskey feelingly expressed her gratitude to the commissioner and enumerators, saying she would never forget their kindness. GEN. HUTTON'S APPOINTMENT.
