TYPE B.

Semi-ready type B is the average normal physique of Canada.

It represents physical perfection—not too tall-not too short-not too thin-not too fat. Every limb in proportion to the trunk of the body, every bone normal and every muscle properly, but, not abnormally developed.

The height of this type varies from 5! 41/2" to 5'-11".

All the parts of each suit are basted—all the seams made with outlets—we guarantee absolute satisfaction as to fit before you pay a farthing.
