HAMILTON, July 21.—Hamilton won both ends of today's double-header from Battle Creek, by scores of 5 to Bill Morrisette and Reilly were the winning hurlers, the latter turning in a very good performance in the short game, allowing only two hits, and but for an error, would not have been scored on. Morrisette held the Custers scored on. Morrisette held the Custers in check in the first game, but he was not in his usual form.

Bullard pitched both games for the Custers. He was hit hard in the third and fourth innings of the first game, and again in the first frame of the second game. The fielding and hitting of Johnny Carlin featured the two games. He handled fifteen chances, several of them very hard and his hitseveral of them very hard, and his hit-ting won the first game.

As for the first game, the third innering was the only one in which more than four men faced the little side wheeler. Five Flinters emerged from the dugout in this period. London, on the other hand, though they did collect seven runs, only threatened in several innings to break the one run habit. In the fourth the bags were full up with only one gone, but both Calbert and Kuhn were out, the former doing the unusual by whiffing and Kuhn grounding out. Kuhn collected a three-bagger in the third, and Witry's three-sacker scored Calbert in the seventh.
