 per annum is the rate of interest we pay on deposits. We credit this interest to the account and compound it.

FOUR TIMES A YEAR.
 As security, you have our Paid-Up Capital, amounting to the exceptionally large sum of

SIX MILLION DOLLARS
 and a Reserve Fund of \$2,750,000, or a total Shareholders' Capital of EIGHT AND THREE-QUARTERS MILLION DOLLARS protecting your money from loss. You have also the further protection of our Charter, which limits the total amount we may receive on deposit to the amount of the Paid-Up Capital and further provides that our total borrowings from the public shall not exceed four times the Paid-Up Capital. Do you know any place where money is better protected? And it is always available when wanted.

NINE-HOUR DAY REMAINED BY THE MINERS' UNION
 Cobalt Mine Owners Are Favorable - Good Strikes at Little Nipissing and Queen.

COBALT, April 17.—(From the Man on the Spot).—Recent discoveries at the Little Nipissing makes this the best looking of the Cobalt holdings today. While Little Nipissing is still a non-shopper in so far as the actual loading of the ore on the car and its transit to the smelter goes, as a matter of fact the company has two cars of ore ready for shipment and several cars of rich ore in sight as it is a constant shipper.

The Deloro or the Copper Cliff smelter will get the ore within the next two or three weeks, so that Little Nipissing will be the next new shipper and it will be a constant shipper.

The local vein was found on the shore of Peterson Lake the other day, which is rich in silver. This vein is one of the already being worked and is only three feet distant. Both these veins are really Nipissing veins, which run from the Nipissing into Peterson Lake and are being worked by Little Nipissing by reason of the lease the company has of ten acres of Peterson Lake. This lease will prove profitable for the Peterson Lake Co., as the lessee pays that company a royalty of 25 per cent.

The new vein is exceedingly rich in native silver and the wall rock on both sides of the vein is heavily impregnated with native silver.

In the drift at the 75-ft. level, Supt. Bryce at the Silver Queen found an enormously rich blind vein this week. The silver values compare with anything found on the Queen to date.

The local union will probably call out all the union men on Saturday who are working at Cobalt mines and in force. No attempt will be made to prevent union men and non-union men working together. Cobalt mine-owners will give a nine-hour shift under local pressure, but whether this will be a permanent concession of a local branch of the Western Federation is a question. The camp as a strip believes the mine are entitled to this. Supposing the strike of last summer was indistinctly handled by the local union, what has that to do with giving a nine-hour shift now? The camp is rich enough and the mine-owners are big enough to do the fair thing by the men. If they are approached in the right way, the local union has learned a lesson and will profit by it.

Summer Hotels, Highlands of Ontario
 The Grand Trunk Railway System announces that arrangements have been completed for two handsome additions to the chain of hotels throughout the Highlands of Ontario.

The Wawa Hotel on Lake of Simcoe, one of the finest summer hotels in the northern resorts of Canada, is nearing completion, and work is being done on the new Highland Inn, situated overlooking Cache Lake, at Algonquin Park station. The Highland Inn will be of the cottage type, cosy and comfortable in its appointments, all modern conveniences, modern fireplaces in the dining and living rooms, spacious piazzas, and most charming outlook over lake, mountain and virgin forests; in fact, all the comforts of civilization are transported into this virgin wilderness. Double daily mail service, telegraph and express facilities at this point with excellent train service will make this hotel unique and attractive for its situation so remote from the turmoil of the cities, but yet with all the necessary facilities for convenience within the outside world. The Highland Inn is situated about 1500 feet above sea level, giving it the highest elevation of any summer hotel in Eastern Canada. A good boat livery and corps of guides, spacious piazzas, and tourists who desire to make extended trips through the waterways of the Park will be outfitted and provided for in every respect without rendering it necessary to bring any baggage excepting wearing apparel, according to length of sojourn. These new hotels will provide every comfort and facility for the enjoyment of guests, and the scope of accommodation will be so reasonable that it will deter anyone of moderate means from patronizing them. In addition to this, they will cater to tourist trade from Great Britain, where the Grand Trunk is an organizing trips of parties and individuals for a lump sum of expense, including hotels from the time tourists leave home until they return. Such trips need not occupy more than the average holiday, say one week, and will embrace the ocean trip, an opportunity of becoming acquainted with Canadians and Canadian affairs, and the entire summer holiday in Switzerland or other European resorts.

FRONTENAC CHEESE BOARD.
 Prospects of Dull Building Season at Kingston.

KINGSTON, April 17.—(Special.)—Frontenac Cheese Board held its inaugural meeting to-day. Wm. Fawcett, Wolfe Island, was elected president. One hundred and sixty-five boxes of cheese boarded. Bidding opened at 11c and closed at 11 1/2c; no sales. Outlook for cheese in this district most encouraging.

Architects predict a poor outlook for building. None of the city architects have anything new in city construction, but all have work outside.

CRUELTY TO CATTLE.
 Eight Railways Face Fines Aggregating \$31,000 for Violation of Law.

CHICAGO, April 17.—Sixty-two violations against eight railroads, charging violation of the 28-hour law providing for the protection of cattle, sheep and hogs transported in cattle cars, were filed to-day in the United States district court by District Attorney Greig. In the cases filed to-day, fines aggregating \$31,000 are possible, and the district attorney asserts it was his intention of the government to demand a maximum penalty in every case.

BODY OF AN UNKNOWN
 Found on the Railway Track Near Dunville.

DUNVILLE, April 17.—The body of an unknown man was found on the railway track about a mile east of Dunville station by the section men last evening. There was nothing on the body to lead to identification, and no money or valuables were in the clothing.

The body was that of a strong, well-nurtured man about 40 years of age, 5 feet 8 inches in height, and about 150 lbs. in weight. The hands to note show hard work; the clothing and beard were clean, but the clothing is cheap; the dark hair is close-cropped, coat buttoned up to the chin and pants of blue-grey with stripes give the appearance of a prison garb.

There are no marks on the body, and the cause of death is unknown. J. A. Schofield, undertaker here, has embalmed the remains, awaiting identification.

OPTICIAN'S NEW ORGANIZATION
 Have Affiliated with the Retail Merchants' Association.

The annual convention of the Canadian Association of Opticians was held yesterday afternoon. President F. E. Luke presided, and there was a good attendance.

The association decided to become a section of the Retail Merchants' Association of Canada, and the following officers were elected: Chairman, H. J. Geiger, Toronto; of Ambrose, Kent & Sons; first vice-chairman, W. A. Kerney, Renfrew; second vice-chairman, Alex. Ray, Belleville; treasurer, F. E. Luke, Toronto; secretary, E. M. Townen, Toronto.

These officers will take charge of the commercial features of the association, and special committees were appointed to formulate a plan whereby the professional end of the optical business would be taken charge of by an optical council, and legislation submitted whereby the profession would be placed upon a higher plane for the protection of the public. The special committee appointed are: E. Culverhouse, Toronto, chairman; E. A. Lewis, Toronto; W. C. Forbes, St. Thomas; Alex. Ray, Belleville; J. A. Jensen, Berlin. Their duties are to prepare a report and submit it to another meeting to be held in September.

H. J. Geiger was appointed a delegate to attend the Ontario provincial convention of the Retail Merchants' Association in Galt on June 18 and 17.

BANDITS ROB BANK.
 Lock Officials in the Vault and Get Off with \$3000.

CHERRYVALE, Kas., April 17.—The Citizens' State Bank at Chautauquis, Kan., was robbed of about \$3000 to-day by two men.

The men entered the bank at Chautauquis and forced Cashier C. W. Terhouser and Del Easley, a business man, to go into the vault. The bandits locked them inside, secured all the currency in sight and escaped into the Osage hills, across the line, in Oklahoma.

Four posses are in pursuit. The fugitives secured but half an hour's start.

A. H. Clarke, M.P., Denies.
 WINNIPEG, April 17.—Mr. A. H. Clarke, M.P. for South Essex, who has returned from Ottawa, denies that he is about to retire from politics, to be elected to the high court, bench and justice of the peace. "I don't recall telling any person I was thru with politics," he said. "My reported elevation to the high court bench is a rumor. I do not think that any such report originated with any of the officials in Ottawa."

Settled Out of Court.
 LEAMINGTON, April 17.—The suit of Mrs. Cora Corbett vs. George Beasly of this town, against the M.C.R. for injuries received in the Essex explosion, has been settled out of court. The railroad company will give her \$2000 damages and \$200 costs.

Mrs. Beasly at the time of the explosion sustained three serious and other injuries while seated in her home, near the scene of the explosion.

Lawson Mine
 Certain persons other than Thomas Crawford of New Liskeard are offering shares in this mine. Mr. Crawford is the only person who is an undisputed interest in the mine. The other interests are disputed and likely to be defeated in the actions now pending before the Court of Appeal. The other parties also stay the assertion of these disputed interests. Mr. Crawford's right to the whole property rests principally upon a Torrens title, and subsequent grant in fee from the Hon. Minister of Lands and Mines. In the former actions the Court of Appeal gave effect to the Torrens title, when set up by Lawson against the present claimants, and would have given effect to it if then relied on by Crawford himself. The neglect of Crawford's former solicitors with respect to the Torrens title, has led to the protracted litigation.

The crown grant in fee is also conclusive against Crawford. The court has held that no jurisdiction to interfere with the Torrens title, and in the case of mining leases or grants in fee, the crown title is not the case here. Up to date there has been no expression of judicial opinion on these contentions.

Persons interested can get further information from me or from Shilton, Wallbridge & Co., Solicitors for Crawford, McKinnon Building, Toronto.

FRENCH TROOPS ATTACKED.
 Berbers and Arabs Failed in Their Surprise.

COLOMB BECHAR, Algeria, April 17.—A French column posted on Talaiza Hill, which commands the Plain of Tamiel, was attacked fiercely at daylight yesterday by a number of Berbers, who, with the nomad Arabs, have been concentrating for some weeks past on the western frontier of Algeria.

Altho surprised, the French force rallied and fought desperately and succeeded finally, not only in beating off their adversaries, but in pursuing them for a distance of six miles. So hot was the pursuit that the Arabs abandoned their dead and wounded. Several green flags of the Prophet also fell into the hands of the French.

Twenty-eight of the French troops, including an officer, were killed, and 100, including ten officers, wounded. The losses were the greatest in the foreign legion. The Berber losses were much heavier, 125 dead bodies being found by the French troops. The French pursuit was stopped by darkness.

Easter sermons will be preached, and Easter music rendered at Elm-street Methodist Church to-morrow. Rev. T. E. Barley will preach at 11 a.m. Subject: "The Tomb of Jesus." Rev. W. A. Mitchell, B.A., will preach at 7 p.m. Subject: "Christ Reigns."

Parkdale Lodge, A.O.U.W., will hold their annual excursion to Kingston and Belleville on July 4.
