There was an odd incident at the international management committee of ternal management committee of the board of education this evening, when William Bell, K.C., a stalwart Conservative, attacked the Whitney, government, and several stalwart Liberals, including Trustees Lazier and Howell, defended it. Last summer my little girl, aged two years, was taken ill with Summer Complaint, and as my mother always kept Dr. Fowler's in the house, when I was a child, I seemed to follow her example, as I always have it also.
