### FRANKIE CARPENTER CO.

The Frankie Carpenter Company will open their engagement at the Opera House on Easter Monday. Frankie Carpenter and Jere Grady are well known here and promise some of the best entertainments to be seen on the local stage this season. Mr. Grady has surrounded Miss Carpenter with clever people, and has all new plays to offer. "Billy" Rhodes, billed as the diminutive comedian, heads the vaudeville programme.

### AT THE NICKEL

Those who anticipate enjoying Nickel programmes next week will have to be sharp on time in reaching the theatre in order to secure good seats for the Musical Festival to be put on is sure to be the finest treat in orchestral and vocal numbers the people will have ever had for so small a price. It is the Nickel's third anniversary week and considerable money is to be expended in featuring it. In the first place the usual orchestra of seven members will be enlarged to twelve—all professional musicians—who will render the very highest class of music as well as popular and household numbers. Something extraordinary is promised, the best orchestral effects heard in St. John, excepting Chapman's organization. Miss Edwards is to sing "The Children's Home" by Cowan; Mr. Courtnais "Open Thy Lattice" by Gregh; and in duet these vocalists will sing "Love's Old Sweet Song." Besides this music-feast a company of New York talking picture people entirely new to Nickel goers will present the pretty photo-comedy "Mary Jane's Lovers" and there will be the usual run of plain motion pictures. Read the whole detailed programme in the large advertisement in this issue.

### AT THE STAR

Easter week at the renovated and enlarged Star Theatre in Union Hall, North End, will be ushered in with a magnificent programme of motion pictures—travel views, dramas, comedies and phototricks—as well as with a talented new singer, Miss Mae Colyer, whose rich soprano is of the higher class, capable of rendering the finest ballads and the catchiest popular numbers with fine artistic effect. It will be an almost complete new start for the popular little North End picture house, which has already won so many kind words of commendation. On Tuesday night the Star's new professional orchestra will play again. It made a great hit last night.

## Does Your Heart Flutter?

**Short Breath. Easily Fatigued. Rush of Blood.**

**It's in this condition that sudden and unexpected death comes.**

The heart is an unfailing index of strength. Bodily vigor and a strong heart go hand in hand.

A slight fluttering and shortness of breath is a sign of failing strength, arising from weakened digestive power, or from weakness of the nervous system.

The organic and dangerous affections of the heart seldom manifest themselves until the climax is reached, when death usually supervenes.

Even a small variation in strength renders the heart susceptible on the emotional side, and a little fright, anxiety or haste will set it going at a frightful rate.

You ought to know that when your heart flutters easily, when your breath comes in gasps, when you tire quickly upon exertion, and rest does not recuperate, you have allowed yourself to run down.

It is under these conditions that Ferrozone acts like magic in its strength-giving power. Tens of thousands of Canadians can testify to the marvelous curative power of Ferrozone.

When it's remembered that Ferrozone has the power of making rich, red blood, of giving tone to the system, of vitalizing all the functional powers of the body, it will be easily seen in cases such as yours, in which these fluttering sensations are present, Ferrozone will speedily restore you to health.

Ferrozone makes you strong because it enables you to digest your food, because it makes rich, red blood—because it tones, strengthens, reinforces the whole system.

"I was so overcome with heart fluttering and acute indigestion I could scarcely walk upstairs without panting and catching for my breath," writes E. K. Young, a well known merchant in Augusta. "After using one box of Ferrozone I improved, and after two months I was cured and am sound and healthy as ever today."

The best proof of Ferrozone's merit is the enormous good it will do you, in your own case; try it, 50c. per box or six boxes for $2.50, at all dealers.

## TORONTO SLUMS

### Conditions Far Worse Than in Manchester, Declares Dr. Gregory

Toronto, April 10—The Rev. Dr. Benjamin Gregory, of the Manchester and Salford Mission, England, lecturing in Dunn Avenue Methodist Church on social conditions in the great English cities, Manchester in particular, tsarted his hearers by the following statement:—"This afternoon I paid a visit with your pastor and the president of the Methodist conference to some of your slums in this beautiful city, and I am free to confess that in all my work among the submerged tenth of my own cities, I have never seen anything like the conditions under which some of your poor are living.

Continuing, Dr. Gregory said that the English poor did not suffer from the rapacity of landlords as do the poor here. He expressed the opinion that the City Council of Toronto was not doing its duty in allowing the existence and erection of some of the shacks he visited.
