

J. G. SCOTT Esq., Q.C., said : When the duty of seconding this resolution was assigned to me, it was accompanied by a request similar to that made to the Mayor, that I should make no remarks. I was sorry that this request was made to the Mayor, because I, as well as the rest that are here present, are always glad to hear him speak, and would have been glad to listen to an eloquent speech from his lips to-night. (Applause.) I am, however, extremely glad that the request was made to me, because I am persuaded that any remarks I would make would simply detract from the eloquent and inspired address to which we have listened. Besides, I desire that we proceed to the collection with the full effect of this address upon our hearts. I, therefore, without any speech, have much pleasure in seconding the resolution which has been moved in such eloquent terms by the Bishop of Huron.

The resolution was carried unanimously.

The collection was then taken up.

REV. DR. GREGG moved the following resolution .

"That the hearty thanks of this meeting be presented to the Rev. Dr. Thomas and Trustees of Jarvis St. Baptist Church for the use of the building on the present occasion ; also to the organist and choir for valuable services."

ELIAS ROGERS, Esq., seconded the resolution, which was carried,

The doxology was then sung, and the benediction pronounced by His Lordship the Bishop of Huron.

The meeting then dispersed.
