The special features of this Company are its **Tontine Investment and Semi-Tontine Investment Policy**, and its **Commercial Policy**. It also issues annuities, and all forms of Life Policies.

The first two secure a large return for the money invested, while the latter yields maximum insurance for minimum outlay. Its Semi-Tontine Policies are **Non-forfeitable** after three annual premiums are paid.

During the period of life when insurance is specially needed, this Company's Commercial plan places reliable life insurance within the reach of the masses at an estimated cost of about 60 per cent. of the ordinary life rates, its regular quarterly premiums being very moderate.

It is the best plan for those who want insurance only, and the easiest for agents to work.

This Company's Policies are printed in clear, large type, in plain, simple language, and as liberal in their conditions as it is possible to have them, consistent with safety and equity to the policy-holders generally.

Observe the following points, viz:—

- (a) The Policies are indisputable after three years from date of issue.
- (b) Travel without permit in any part of the world will not invalidate the Policy, which becomes subject to an extra premium only where an extra risk is incurred.
- (c) Surrender values are allowed upon its ordinary and Semi-Tontine Policies after they have been in force three years, either by Paid-up Policies or in Cash; Loans are made on such Policies after being in force three years.
- (d) The age of the insured will be admitted at any time by the Company on reasonable proof, but if not so admitted, any error in the age will not invalidate the Policy.

THREE ACTIVE TRAVELLING AGENTS WANTED.
