## BOY SCOUTS REGRET DEATH OF H. LISTER, WELL KNOWN HERE

Mr. Lister died at Sherbrook, Que., on Friday after an illness of only a few days. A bad cold developed into pneumonia. His body was taken to Ottawa for burial and the funeral took place yesterday. ## HOLIDAY QUIET AT CAPITAL

FREDERICTON, May 24.—Victoria Day was observed very quietly. The weather was cloudy and threatening. Many people spent the holiday out of Fredericton. There were no organized amusements. One local ball team opened the season at McAdam and another at Donkton.

## HEADACHES MAY BE CAUSED BY CONSTIPATION

Kellogg's ALL-BRAN brings quick relief

Constipation takes its toll in suffering and may lead in the end to more than forty diseases. Don't let this thing pile up poisons in your body—deadly poisons! Read Mrs. Hardin's message of cheer: "I have taken medicine and taken it constantly for constipation, but nothing I ever took regulated my system except Kellogg's ALL-BRAN."

Headaches, sallow skin, blotchy complexion—these are but a few of the symptoms! Drive constipation from your body with Kellogg's ALL-BRAN—100% bran. Two tablespoons eaten daily—with every meal, in chronic cases—are guaranteed to bring permanent relief, or your money is refunded. Made by Kellogg in London, Canada. Ready to eat. Delicious with milk, fruit or in cooking. Kellogg's ALL-BRAN is sold by all grocers. Served at leading hotels and restaurants.

A profusion of roses, Darwin tulips and pansies adorned the drawing room, and with the glow from a cherry open fire, and numerous lighted candles in silver candelsticks added much to the decoration scheme. Nickerson conducted the guests to the dining room where Mrs. George Bolton and Mrs. J. A. Murdoch presided over the prettily arranged table, which had for decoration a chrysanthemum bowl of calendulas, and tall blue candles in silver candelsticks. Lighted candles on the mantel and buffet cast a subdued light over the delicious confections. Mrs. Norman N. Gregory replenished and Mrs. R. A. Hughes, Mrs. L. W. Snowy, Miss Margaret Bolton, Miss Josephine Morrison and Miss Frances Murdoch assisted in serving. Little Miss Dorie Nickerson assisted the hostess at the door.

**A Discovery!**

—made by some of the best dressed people in town.

It's about furs. Many of our customers have found out that no matter how expensive furs are, dirt and grime will make them appear dull and lifeless. And if this dirt is allowed to sift into the skins, it by and by causes damage.

The "discovery" they made in our service is this—All the hidden soil and dust is coaxed out of the skins, by our cleansing, and the original sheen comes back!

Have your furs in a healthy condition before putting them away. You'll be delighted with our low prices and more thorough cleansing—every hidden moth and egg killed.

**5 FAMOUS STYLE POINTS**

Millions are asking for in Hosiery

TODAY you are invited to see an unusual assortment of exquisite hosiery. New Paris colors, rich, lustrous silks and sheer chiffons.

And every pair possesses 5 unique style features that now are famous. Perfect hosiery is assured because of them... and correctness of style.

Some of these famous points you will find in one brand of exquisite hosiery, some in another. But only in Holeproof will you find them all. That's why millions seek this kind for fashion safety. See these 5 reasons:

- [1] **No imperfections.** Style vanishes with imperfections. And here Holeproof safeguards you by nine separate inspections. It is a fact that few other fine hose are so uniformly perfect.
- [2] **Correct Paris shades.** Paris authorities select the newest colors. Our scientific dyeing process keeps them clear and bright. Our anti-lade treatment protects from fading.
- [3] **Superlative transparency.** Even in the heavier weights there is no cloudiness, no streaks. First, the silk is tested, then it undergoes the scientific Holeproof treatment.
- [4] **No loose ends.** Loose threads mar appearance. So Holeproof carefully trims the inside of each stocking by hand.
- [5] **Exquisite cleanness.** In sheer chiffons, cleanness comes only with the use of uniformly even thread. The lack of it in cheaper silk causes unsightly shadow rings. So, at greater cost, Holeproof selects in China the silk judged finest of all oriental grades.

All Holeproof numbers have these points. No matter what color or fabric or style you choose, each pair is faultlessly and fashionably correct.

See the new colors at once while the assortment is complete... at all Holeproof shops.
