

LANDIS FAVORS EARLIER CLOSING DATE FOR MAJOR LEAGUES

MATTER TO BE CONSIDERED BY OWNERS DEC. 10

Commissioner Wants to See Series Started Week Earlier

CHICAGO, Nov. 10.—Earlier closing of the 1926 major league campaign will be urged by Commissioner Landis, who yesterday called a joint meeting of the major league in New York for December 10.

Commissioner Landis favors closing the season earlier and starting the world series possibly a week sooner to avoid conflicting with the football season. The club owners, if they agree, may do so without cutting down their usual schedules of 154 games.

Apart from the fact that the big series collides with the opening football dates, the most important reason for changing the dates is the weather. Starting such an important series as late as October 7 means that there is bound to be trouble ahead from Messrs. Frost and Pluvius by which conditions are created that tend to make for anything but ideal weather for the great summer pastime. The series this year wound up in a mud-game between the Senators and Pirates with the Smoky City denizens having the better of the argument. Players wiped their bats with towels before they went to bat, while Walter Johnson continually called for more saw-dust for the pitching mound which soon became a slough of despond.

Landis' action in favor of the early closing is bound to give the movement the right impetus. If the magnates can be shown that the box office receipts will be about the same, there should be a considerable amount of unanimity on this subject when it comes before the annual session.

CHICAGO, Nov. 10.—The Chicago Cubs will leave for their spring training camps on Catalina Island, February 11, with a squad of 85. Training will start February 15. En route home, exhibition games will be played at Kansas City.

CHICAGO, Nov. 10.—First baseman Joe Mauer, of the Chicago Cubs, who was on the voluntary relief list because of an injury to his leg, has been reinstated by Commissioner Landis.

Trojans Feel Claw of Dalhousie Tiger, Losing By 13-0 Score

Along The Sport Trail

By JOHN J. DUNLOP.

WILLIE HOPPE, former 18.2 balkline champion of the world, has gone on record that Jake Schaefer will defeat Edouard Horemans, the sensational Belgian player, in their match scheduled for the latter part of this month at Chicago. Hoppe declares that Schaefer is the best match player in the world today and that there is no cause for worry regarding Horemans. Schaefer and Hoppe have been on a tour of the middle west recently and have been putting up some wonderful games. Both will continue this right up to the time of the Horemans encounter and this should put Young Jake in the best of shape for his coming test. Horemans, in the meantime, is on tour with Marcel Leemput, the sensational young Dutch player. Last week, both were badly shaken up in an auto accident when Horemans' car was forced off the road into the ditch. This, however, did not affect the tour, Horemans receiving no serious injury. There should be plenty doing when the son of the famous players of years ago tackles his brilliant European opponent and the result will be awaited here with interest.

HANS WAGNER, we note, was badly beaten in the race for the sheriff's position the other day. As a politician, Hans is a poor shortstop.

LORD BEAVERBROOK, former New Brunswick, has gone into the racing game in England rather strong now, having made another addition to his stable by the purchase of the 9-year-old mare, Pick of the Bunch, for about \$2,400. This horse has won many races in India. Beaverbrook intends, the reports say, to race under the National Hunt Rules as well as on the flat and recently bid up to \$20,000 for Mount Etna and then went to \$30,000 for Silvo, who eventually sold for \$32,500, which is a record price for a steeplechaser. The advent of Beaverbrook into the racing also marked the retirement of that picturesque figure, the Aga Khan, from the turf. The Aga Khan has announced his withdrawal and his stable will go on sale. Just apart from this, we note that the Prince of Wales is back home again and set things in the ordinary channel of events by having his horse slip up in the mud, throwing him into the brook. It will be a terribly sorry day for the Empire if this gallant young gentleman ever comes to grief at a hunt.

"BABE" RUTH, a writer in a New York paper tells us, completely regained his health in his two-weeks' stay on the Maine-N. B. border. We seriously doubt if they make it that powerful these days.

OUR FINNISH FRIEND, Clas Thunberg, has notified the local skating association that he is ready to accept all conditions and wants to arrive here toward the end of December in time to have a few weeks' limbering-up before showing us some of the form that made him the acknowledged peer of the amateur speed-skating world back in the winter of 1924. In a previous cablegram, Thunberg had said there were certain conditions necessary to be met before he would leave Helsinki and without knowing these conditions and anxious to make the meet a big success, some slight worry was caused to the local association in case a hitch should arise but now that all doubt has been swept away, the track ahead is clear for Saint John to reach the pinnacle of skating greatness on this side of the water this winter by staging the greatest skating meet in the history of North America. The next big step comes at the annual meeting of the I. S. U. at Pittsburgh late this month.

National Hockey League Clubs Limit Payroll For Season to \$35,000

Seven teams will compete in the National Hockey League this season. Pittsburgh was admitted to the pro hockey circuit at the annual meeting of the league held in Montreal Saturday afternoon, the Ottawa club having withdrawn their objections to the entrance of Pittsburgh, so that their inclusion in the loop was unanimous. Hamilton's last attempt to regain the franchise they operated last season was abortive.

CHICAGO APPLICATIONS.

Two applications were received for franchises from different sources in Chicago, the object being to start a club in the "Windy City" next season. One, previously announced, from Charles Hall, president of the Coleman Building Corporation, and the other from E. R. Garey, a Chicago lawyer, who filed the application on behalf of a syndicate of Chicago men. Both applications were tabled for further information. Although the question of the reinstatement of the former Hamilton players, suspended following their strike before the league play-off last spring had been left entirely in the hands of President Calder, to deal with as he saw expedient, the matter was introduced by representatives of the New York club, to whom the majority of the players have been sold. It was stated that the players were still under suspension, though it is intimated that some action may be expected in their cases within the next two weeks. St. Patricks brought forward the question of a salary limit for teams. No club may have a payroll exceeding \$35,000 for the season. No team shall be allowed to carry more than 12 players in uniform after Dec. 31. No club may have more than 14 players on their reserve list. In case of a goal-keeper being changed this will not affect the clause regarding 12 players in uniform.

THE SCHEDULE.

The question of a schedule is yet unsettled. However, it is definitely decided that the first game will be played at Pittsburgh on Nov. 26, the United States Thanksgiving Day, when Boston will be the opponents of the new team in the circuit. The season will open locally on Nov. 28, though home club has not yet been named for the local start. President Calder was re-elected to office. The following were appointed to the board of governors of the league: Charles Querrie, Toronto; St. Pats; Redmond Quinn, Ottawa; A. H. Ross, Boston; James F. Strachan, Montreal; Leo Dandurand, Canadiens; T. P. Gorman, New York; J. Odie Cleghorn, Pittsburgh.

LOCALS PUT UP FIERCE BATTLE ON POOR FIELD

Dal. Wants a Return Game with U.N.B. at Halifax

TROJANS felt the claw of the Dalhousie Tiger straying far from home on the Allison grounds yesterday afternoon and to show his feline contempt for superstitions even though in the enemy's territory he gorged himself on a 13 to 0 victory over the locals. Balked of his prey at the University of New Brunswick Saturday when held to an 8-all draw, the Dal Tigers came here licking his chops in anticipation of an easy meal to carry back to his lair but he found the going rather rough with the ground more suitable to sharks than tigers and at half time had only made as much progress as against U. N. B., namely 8 to 0. The Trojans fought back fiercely in the second half and held the visitors to a lone try, made by "Bunker" Murphy, that was converted. The game was much closer than the score indicates, Trojans putting up a battle royal against a well-drilled and well-balanced team. This was the final game of the season. Halifax Wanderers have tied Dal for the leadership of the Halifax City League by winning over the United Services, 14 to 3.

THE FIRST SCORE.

The Trojans were given a free kick for interference and Dalhousie had one little later for an offside play on a scrimmage. Halifax Wanderers were formed to touch for safety when the ball crossed their line. Tupper kicked the ball into touch within the Trojan five-yard line and following the throw-in, the ball was dribbled almost to the line where it was picked up by D. Smith and carried over about one foot from touch. Harrington's attempt to convert missed the goal by less than one foot. Following the kick-off the game was in Dalhousie's territory for a few minutes but good kicking carried it back and Cox went over for the second try. Although the kick had to be made near the touchline Harrington placed the ball fairly between the posts for the extra two points. The period ended shortly after with the score 8-0.

SECOND PERIOD.

The Trojans bucked up in the second half and put up a battle royal, saving scores time after time by keeping on top of the ball all the time and by clean tackling when runs were started. The locals managed to threaten their opponents' line once but were turned back. Good dribbling and kicking by the Dalhousie players took the ball down to the Trojan's end again.

Early in the period, Hollies, who had received a kick on the forehead near the start of the game, went to fullback and Millidge took his place in the scrum. A few minutes later Hollies fumbled and had to be carried to the clubhouse.

"JIMMY" SCRIVEN IS STAR OF GAME

Montrealers Retain MacTier Cup, Defeating Toronto Team, 24 to 0

MONTREAL, Nov. 10.—Montreal English rugby club yesterday defeated Toronto by a score of 24 points to 0, retaining the MacTier cup. The game was witnessed by one of the largest crowds that had ever assembled at an English rugby game in Montreal. Montreal back division displayed great speed and command and their first score came from Marpole, when he bounded over the line to touch-down far out. Three more points were added a few minutes later when Scriven, former Halifax Wanderers' star, punted the penguin over the bars on a penalty. The locals outclassed the Queen City players and were dangerous every time they got going. Alden baffled the visiting defense in a neat piece of work taken part in by himself, Scriven and Marpole, adding one more try. Marpole rung up additional points shortly before the half-time period and from his try Scriven converted. The second period saw Toronto still defending desperately, but all to no purpose. Cohen, playing forward for the locals, was responsible for the next counter and again Scriven brought out the full points. Some loose play ensued, but Montreal showed themselves as much superior in the loose as in the pack and from some scrambling play, Scriven picked up to score Montreal's last try, which he himself converted.
