### A Good Wing.

Cy Perkins of the Philadelphia Athletics is considered one of the best catchers in either major league. As a matter of fact a number of experts consider him the premier backstop of the big show.

Perkins does everything well, but no one thing better than throw. He has a wonderful arm and gets the ball away with unerring accuracy. A number of the Philadelphia pitchers permit opposing runners to get a big lead, but despite this Perkins turns most of them back.

Eddie Collins of the Chicago White Sox and George Sisler of the Browns, who has been one of the game all season because of eye trouble, are two of the best base runners in the American League. There is little to choose between them, yet Sisler has always been easy for Perkins to throw out, while Collins has been correspondingly tough.

Recently in a game between Chicago and the Athletics, which Mack's club won 3 to 2, Collins in the eighth inning hit safely and a moment later tried to steal second. Pitcher Harris permitted him to get away to a flying start, and only a remarkable throw by Perkins made it possible to get Collins at second. That throw just about saved the game.

After the contest Perkins remarked, "Although I have been in the American League a number of years, that was the first time I ever remember throwing out Eddie Collins. It has always seemed that every time he started to steal on me, something always happened to make the attempt successful. Throwing Collins out today is the first time in my career, if my memory serves me correctly, that I have been trying to do it for over half a dozen years."

### Most Valuable Player.

Babe Ruth of the New York Americans, pennant winners of the American League, was declared yesterday to be the most valuable player to his team and was awarded the American League trophy. Ruth was the unanimous choice of the committee and his name will be inscribed on the 1923 tablet of the \$100,000 monument to be erected in East Potomac Park, Washington, and presented to the U. S. Government as a memorial to baseball and a hall of fame for the greatest players.

**TURF.**  
Grand Circuit Meet.  
Racing was resumed on the grand circuit at Columbus, Ohio, yesterday. The track was very heavy after three days of rain and as a result the time in all of the events was slow. The 214 class trot for the Merchants' and Manufacturers' stake, valued at \$5,000, was won by Ziegler in straight heats, best time 2:07 1/4. The 215 trot was won by Ziegler in straight heats, best time 2:07 1/4. The Capital City stake, valued at \$3,000, was won by Rose Scott in straight heats, best time 2:07 1/2. The 204 pace went to Logan Hedgewood, two out of three heats, best time 2:06 1/4.

### Today's Grand Circuit.

Columbus, Ohio, Sept. 22.—Five events are listed for today's Ohio Grand Circuit race card at the Columbus Driving Park. Two of the races will be stake events and the other three regulation class affairs. Purses offered today total \$9,000.

Six horses are declared for the Southern Hotel Stake for 211 pacers and a like number are scheduled to start in the Chamber of Commerce stake for 206 trotters. Other events are the 214 pace, the 210 pace and the 217 trot.

### BOWLING.

**A Challenge—For Worthy Object.**  
The Imperials have issued a challenge to any bowling team in the city to roll on the Imperial alleys next week. Twenty-five cents admission will be charged and the entire proceeds will be turned over to the Japanese relief fund. The Sweepstakes winners of the City League last season, will accept the challenge and will play them any night next week. Arrangements to be made with W. H. Gambelin.

### GOLF.

**Uimett and Gardner Beaten.**  
Francis Uimett of Boston and Bob Gardner of Chicago were eliminated yesterday from the amateur golf championship of the U. S., the former being defeated by Max Marston of Philadelphia three up and two to play, and the latter losing to Jess Sweetser eight up and seven to play. The two winners will play today for the championship.

### RING.

**Smith Trims Smith.**  
Kalamazoo, Mich., Sept. 22.—Homer Smith, heavy-weight, knocked out Sgt. Ray Smith, Camden, N. J., in the eighth round here last night. Smith will meet Harry Wills in New York next Thursday night.

## HEILMAN AND HORNSBY LEADING

Retain Top Positions in  
Batting Honors in the  
Big Leagues.

Chicago, Sept. 22.—Harry Heilmann, of Detroit, continues to lead the batters in the American League but his margin over Babe Ruth is considerably less than last week, for Ruth maintained his average of .385 while Heilmann dropped from .395 to .391, according to averages for games through last Wednesday, released today. Speaker and Sewell, of Cleveland, rank third and fourth with .372 and .369 respectively, but their colleagues, Jamieson, who rested in fifth place last week, has been supplanted by Eddie Collins, of Chicago, who jumped eleven points during the week and now has .360.

### Ruth and Collins seem to have bagged all the other individual honors, for Babe leads in home runs with 87, is ahead in total bases with 893 and has scored the most runs with 183. Collins leads in stolen bases with 43, and has the lead in sacrifice hits with 98.

Other leading batters:  
Williams, St. Louis, .352; Jamieson, Cleveland, .346; Mannish, Detroit, .344; Cobb, Detroit, .334; Burns, Boston, .333; J. Harris, Boston, .333.

### Hornsby Leads Nationals.

Rogers Hornsby, of the St. Louis Nationals, continues first with .384. Wheat, of Brooklyn, gained nine points during the week and pulled into second place with .375, showing Bottomley, of St. Louis, into third place, the latter dropping a couple of points and now having .369.

Two New York players also are sharing the big honors, Frisch leading in total bases with 292 and "Pop" Young heading the run getters with 117.

Cy Williams, of Philadelphia, leads the home run hitters and is tied up with Babe Ruth for supreme honor with 37. Carey, of Pittsburgh, has stolen 45 bases and leads in that division.

Other leading batters:  
Roush, Cincinnati, .353; Fornier, Brooklyn, .353; Frisch, New York, .346; Traynor, Pittsburgh, .343; Hargrave, Cincinnati, .341; Young, New York, .339; Barnes, Pittsburgh, .338.

### ARGENTINE'S STYLE IS ALL HIS OWN

The Champion Has Never  
Fought Battler Like His  
Present Challenger.

(Wilbur Wood in New York Herald)  
White Sulphur Springs, N. Y., Sept. 21.—There is one thing of which Jack Dempsey is not getting the least inkling in his daily sessions with his sparring partners here on the shores of Saratoga Lake and that is the style of the Argentine employed by Luis Angel Firpo, who will try to knock the heavy-weight crown off the champion's head at the Polo Grounds next Friday night.

None of the champion's helpers big or little, even approximates the Wild Bull's style. Dempsey is going to be up against a totally unfamiliar proposition that it is not advisable to know much about an opponent's style before stepping in with him. They hold that the best place to familiarize one's self with a foe's methods is in actual combat. That prevents, they believe, any false theories being built up in advance.

### WILSHUR WINS CROWN FROM ROY

Toronto Man Gets Feather-  
weight Title on Close  
Decision.

Toronto, Sept. 22.—By a mighty effort Curley Wilshur, of Toronto, edged the featherweight crown from the rugged head of Kid Roy of Montreal, and placed it upon his own brow at the Arena here last night in the presence of one of the largest crowds that ever witnessed a boxing bout in Toronto. Fully 7,000 fight fans crowded the arena and gave both boxers an ovation at the close of the bout. The decision was a close one. One of the judges called the bout a draw, the other favored Wilshur and Referee Hugh Hayes of Hamilton, gave the award to the Toronto man. Roy put up a great battle.

George Fildes, Toronto lightweight, won an eight round decision from Tom Phillips of Buffalo.

## GIANTS NEED HALF REMAINING GAMES

Within Four of the Pennant  
Now—Took Two From  
Pirates Yesterday.

New York, Sept. 22.—The Giants took a double-header from the Pirates in Pittsburgh yesterday, winning 9 to 4 and 8 to 1, and now need only four of the eight remaining games to clinch the National League pennant and insure the playing of the entire world's series in New York. The Giants knocked the ball to various corners of the field for fourteen hits in the first contest and nine in the second. In each game they did all the winning in one inning. In the sixth inning of the first they scored seven runs, and in the fourth of the second they tallied six.

Cincinnati beat Brooklyn 4 to 3, in an eleven inning game. The winning run came over when Hargrave walked with two out and scored on a triple by Pinell.

The Red Sox broke even with the Tigers, winning the first game 4 to 3, and losing the second, 15 to 6, when the Detroiters grasped their sticks with grim determination and lined them out one after another, scoring in all but three innings.

According to the report submitted to the American Bar Association by the Special Committee on Law Enforcement of which ex-Governor Charles S. Whitman is chairman, there were 9,000 homicides in the United States in 1921, and in the ten years ending 1921 there were not less than 85,000 murders. In the last year, for which facts were available, there were 17 murders

## 'One Week of Love'

IN "ONE WEEK OF LOVE" CONWAY TEARLE IS THE MOST ingeniously drawn character of the forceful lover which has ever been created for the screen. College bred but disappointed in love, he has become a truly primitive cave-man but, more than that, his underlying intellect and polish have given him all the attributes of the "Sheik." Elaine Hammerstein is the Society Butterfly pictured to perfection—treating every real problem in life as a huge joke, constantly tasting of dangerous pleasures, and continually looking for new and more exciting diversions. The restoration of these two characters to social normalcy through one of the most unusual love affairs is the backbone of the story.
