# MACDONALD'S CUT BRIER

MACDONALD'S "BRIER" has become  
a Canadian institution. Smoked by the  
men who made history. In the bush, on the  
trail, in mining camps, prospectors' huts, factory  
yards, on trains, steamships, in the luxurious  
homes and downtown clubs of our Canadian  
cities—Macdonald's has always been recognized  
as the smoke.

MACDONALD'S CUT "BRIER"—the same tobacco  
but in new form—maintains every Macdonald tradition since  
1858, and gives to smokers—more tobacco for the money.
