**GIRL CONFESSES  
KILLING SISTER**

Pretty Italian Miss Gives Her-  
self Up to Police

New York Tragedy Cleared  
Up—Ohio Man Murdered  
in Taxi While on Whiskey  
Hunt—Boy Admits Slay-  
ing Father.

New York, March 11.—Marie Tucci, a pretty twenty-year-old Italian girl, walked into the Atlantic City jail last night and announced that she wished to be arrested because she had killed her sister, Mrs. Angela Conti, in New York on Monday. The New York police, who have been seeking the girl, immediately sent a detective to the New Jersey resort to bring her here.

The girl said she had shot her sister in self-defence after Mrs. Conti had threatened to attack her with a knife for refusing to go out to a party arranged for her. Then she wandered about for two days and finally reached Atlantic City. She was hysterical when arrested. The body of Mrs. Conti, shot through the right temple, was found in her apartment in West Houston street early on Monday.

**Murder in Taxi.**  
Newcastle, Pa., March 11.—Emile Hladay of Girard, Ohio, was murdered and robbed of \$3,000 in a taxi cab near here on Tuesday night. The driver of the taxi declares Hladay was out in search of moonshine whiskey with two strangers who had volunteered to act as guides.

**Killed Father.**  
Chillicothe, Ohio, March 11.—Following the exhumation of the body of his father yesterday, Layton Devault, a boy of seventeen, confessed that he murdered his parent. It was first believed Devault had been killed by a horse. The boy struck him on the head with a hatchet.

Several prominent Salvation Army officers were in the city yesterday, including Commissioner Richards, and held a conference with local officials in the Charlotte street citadel. During their stay they were entertained by Brigadier Moore and Sergeant Usarki. They left last night for Halifax.

At a meeting of the publicity committee of the Commercial Club last evening matters pertaining to city and province advertising were discussed and plans for getting information together liable to attract new enterprises to the city.

**SCIENCE PROVES THE DANGER OF BLEEDING GUMS**

Medical science proves that unhealthy gums cause serious ailments. People suffering from Pyorrhea (a disease of the gums) often suffer from other ills, such as rheumatism, anaemia, nervous disorders, or weakened vital organs. These ills have been traced in many cases to the Pyorrhea germs which breed in pockets about the teeth.

Four out of five people over forty have Pyorrhea. It begins with tender and bleeding gums. Then the gums recede, the teeth decay, loosen and fall out, or must be extracted to rid the system of the infecting Pyorrhea germs.

Guard your health and your teeth. Keep Pyorrhea away. Visit your dentist often for teeth and gum inspection, and make daily use of Forhan's For the Gums.

Forhan's For the Gums will prevent Pyorrhea—or check its progress—if used in time, and used consistently. Ordinary dentifrices cannot do this. Forhan's will keep the gums firm and healthy, the teeth white and clean.
